THE CORE CURRICULUM IN THE LIBERAL ARTS

The John Carroll Core Curriculum in the Liberal Arts is informed by the principles that issue from the University's mission as a Catholic and Jesuit institution of higher learning. Accordingly, the Core emphasizes the development of whole human persons who are educated in the humanizing arts and sciences; skilled in expression and in scholarly investigation; and aware of the interrelationship of all knowledge and the interdependence of all peoples. Moreover, it promotes the integration of faith and culture by imparting a deeper knowledge of, and respect for, the students' own cultural and religious traditions as well as those of others. Finally, it highlights intellectual, moral and spiritual principles, and the responsible social actions which flow from them.

JOHN M. AND MARY JO BOLER SCHOOL OF BUSINESS

The mission of the Boler School of Business is to develop and inspire tomorrow's leaders through educational excellence in the Jesuit tradition. Business education began at John Carroll University with the establishment of a Department of Business Administration in 1934 in the college of Arts and Sciences to provide professional training for students aspiring to positions of responsibility in the business world. This department was expanded in 1945 into the School of Business. In March 1996, in recognition of the many generous contributions to the University from John M. and Mary Jo Boler, the School was named after them. Mr. Boler is a 1956 alumnus of the School. The accountancy and business administration programs at the Boler School are accredited at both bachelor's and master's levels by the Association to Advance Collegiate Schools of Business (AACSB International).

INFORMATION SERVICES

The Information Services Department oversees and provides assistance for most computer and network functions, video services, and telephone services on campus. The main office is located on the fourth floor of Rodman Hall.

The major equipment serving the campus consists of:

26 Intel-based servers – used for Web, Campus Card, event scheduling and academic applications including the Blackboard course management system.

3 IBM RS6000 based Servers – used for the Banner2000 administrative software system, which is supported on Oracle 9 database software.

4 RISC-based Sun Servers – used for network support and management.

2 Clustered Network Appliance Storage Servers hosting 4 terabytes of storage for campus network users.

The Campus Wide GIGABIT Ethernet network (JCUNet), provides connection to all faculty and administrative offices and student residence rooms. The campus network has a DS3 connection to OARNet, the Ohio Academic Resources Network, with a capacity of 45Mb to the Internet (international network of academic institutions, government agencies and commercial establishments) as well as Abilene (Internet 2) – the most advanced version of the Internet, which will support high-speed multimedia communications.

JCUNet can be accessed on campus through portable computers using wireless technology provided by Nextel Communications.

Faculty Technology Innovation Center (FTIC)

The FTIC is equipped with the latest hardware and software resources and is dedicated to advancing the use of technology to enhance teaching, learning, and research, through a combination of faculty workshops, multimedia development assistance, and one-on-one consultations. The FTIC is located on the first floor of the Bohannon Science Center, and is staffed collaboratively by technologists from several university departments.

Administrative Software System

The SCTBanner integrated software system supports Admissions and Financial Aid, Registrar, Student Life, Alumni/Development, Human Resources, Finance and other related services throughout the campus; most of these functions are fully Web-enabled. Campus event scheduling, including a Web accessible event calendar, is supported by Resource25 software.

THE BEAUDRY AWARD

1951-2006

For four years the Sodality at John Carroll had given an award to the student who had done the most for the University during that year. At the fifth annual Sodality dance in 1951 the award was changed in two ways. It was henceforth to be called the "Robert Beaudry Man of the Year Award" to commemorate the deceased Sodalist's memory. Also, in the future only seniors were to be eligible as recipients.

The Beaudry Award is now given each year at graduation to the young man or woman voted most deserving of the honor by fellow students. As in the past, the award recognizes outstanding service in the three areas of Christian leadership, academic achievement, and contributions to the university community.

ALUMNI GIVING

Year after year, John Carroll graduates show their generosity and dedication to the university through their financial support of the annual fund, capital projects, and other leadership gift opportunities, such as endowed scholarships. Their support is the foundation for university advancement. Alumni/ae giving provides essential operating support to meet ongoing and recurring university needs such as student scholarships and loans, advances in academic programming, technology improvements, library expenses, student extracurricular activities, faculty and staff salaries, and maintenance of campus facilities and grounds.

The figures reported below represent the total in alumni-ae giving including corporate matching gifts generated during the university's fiscal year.
