PRESIDENT'S MESSAGE

Athletics have become an integral part of the development of a college man's career. Whether the game is on the intercollegiate field or in intramurals, it serves to create a competitive challenge, tempered by the realization that team spirit and understanding are criteria to be followed. These points, too, can serve throughout one's life as one undertakes a role in community service.

John Carroll's athletes seek to win. But in their quest, they seek to do so honorably and in the spirit of the game. To the Blue Streaks, therefore, good luck.

H. E. Dunn, S.J. Very Reverend H. E. Dunn, S.J.

John Carroll University

Bringing together the willing student and the able educator in surroundings conducive to study has been John Carroll University's continuing goal throughout nearly 80 years of growth.

Founded in 1886 on Cleveland's near-West Side as Saint Ignatius College, John Carroll has expanded from a two-story frame schoolhouse to 15 buildings on a scenic 60-acre campus in exclusive University Heights.

The "Big Move" came in 1935, shortly after the University adopted its present name, in memory of the first native Catholic archbishop in the United States. A 600-student dormitory, costing \$2 million, has just been completed. Other recent additions to the campus include a student activities center, a gymnasium, and the Grasselli Library. The next step in the expansion drives calls for the addition of a science center.

The University educates over 2,000 young men in the College of Arts and Sciences and in the School of Business. Eighteen hundred men and women are enrolled in the Evening College. The graduate school has 400 students. Degree programs are offered in 40 major fields of the arts, natural sciences, social sciences, and business. They include specific curricula for pre-professional study

leading to medicine, law dentistry, engineering, and teaching.

John Carroll has the largest ROTC Transportation Corp in the United States, with over 1,200 cadets enrolled in the program.

The Carroll Seismological Observatory was the fourth of its kind when founded in 1904. Today it ranks as one of the top completely equipped seismological stations in the country.

The University's Institute for Soviet and East European Studies keeps Northern Ohioans enlightened on some of the most significant developments of our time. Directed by Dr. Michael S. Pap, it has earned international recognition.

Community cooperation always has been a part of John Carroll's existence. John Carroll offered long-term usage of its land for the local "Little League" program. Also, the University Series, a program of outstanding artistic offerings, has become a cornerstone in good theater for Greater Cleveland.

The John Carroll Band and Glee Club travel extensively in concert around the country, and the Debating Society and Pershing Rifle groups have added many trophies to the John Carroll display cases. The 1964 Mock Political Convention focused much attention on the University.

FOOTBALL REPORT 1964

To quote last year's Sports Brochure: "The challenge of measuring up to an undefeated, record-smashing year faces the John Carroll Blue Streaks in the season ahead."

Last year that challenge was successfully answered as the Blue Streaks ran their winning streak to 15 games to take their second consecutive Presidents Athletic Conference Championship. This year the task is even greater. Gone are the work horses who paced the team last year. Out of seven All-Conference players, only junior Bob Spicer is returning. Much depends on the rapid development of the talented sophomores of the 1963 Streaklet squad.

Eighteen seniors and five underclassmen have departed from the 1963 championship team, including 16 starters. A number of the 30 sophomores on this year's squad will have

to fill the gaps. Only one starter returns from the defensive line and two from the offensive line. This will be a year for rebuilding and testing. The team is strong in both the offensive and defensive backfields and at the end spots. Inexperience may take its toll in the interior line.

Returning are several top-notch performers. Leading the rushing attack will be Bob "Jetstream" Spicer, All-PAC, All-Catholic All-American in his sophomore year. Bob rolled up 443 yards rushing last season to lead the Carroll ground attack, compiling a 4.4 yards per carry average, best on the squad. He lead in scoring with 32 points and was second in receptions with 12, good for 3 TDs and 172 yards.

Dick Sands, outstanding safety for the past two seasons, inherits the quarterback job from Gus McPhie. The job is not new to Dick, who holds five high school passing records in Baltimore. A strong boy who runs like a fullback, Dick can be counted on to use the option play to good advantage. Seniors Ron Loeffler and Frank Wright figure to be his favorite targets. The offensive line will be lead by junior Jack Hewitt, a rugged performer last season.

Captain Ron Niedzwiecki will lead the defensive line charge from his end position. A leading candidate for an All-Conference berth, Ron teamed up with rugged John Kovach to give opposing quarterbacks many a bad moment during the past two seasons. Barry Schonfeld and Denny DeJulius will give the Blue Streaks experience and speed in the defensive secondary.

The "Wolf Pack" limited Carroll opposition to only 28 points last year, scoring three shutouts.

The Blue Streaks will be expanding to an eight game schedule this year for the first time since 1954 and the formation of the PAC.

HERBERT C. EISELE Athletic Director

Dedication, courage, and sincerity mark each of the 17 years that Herbert C. Eisele has been at John Carroll University.

Eisele came to Carroll with an outstanding record in the football coaching field. His career began at Cleveland's Cathedral Latin High School and continued at the University of Dayton, where his outstanding play brought him the nickname "Skeeter" and the end position on little All-American, All-Ohio, and All-Catholic teams.

He started his coaching career in 1926 at St. Mary's High School in Sandusky, returning two years later to his alma mater, Cathedral Latin. In 19 years, Herb compiled an outstanding record of 131 wins, 33 losses, and 18 ties. The highlight of his career of nine championships and three state crowns was an undefeated streak of 36 games.

Arriving at John Carroll in 1947, Herb became an inspiration to his college football players. His record of 60 wins, 36 losses, and 18 ties was the finest compiled by a John Carroll Coach, prior to John Ray's feat of two undefeated seasons. In 1951, he was named athletic director and continued his coaching duties.

Early in 1959, after more than 30 years in the coaching field, Herb turned full time to the duties of athletic director. He has done an outstanding job of coordinating and expanding Carroll's athletic program. The addition of wrestling and soccer to the program is due in part to his desire for a comprehensive athletic program.

His long football career was spotlighted recently by several awards, including the honor of being named All-Time Great Athlete of Cathedral Latin by the Latin Alumni. In 1963, he was named to the University of Dayton's Hall of Fame by his alma mater.

"THE BLUE STREAKS"

How the Carroll Athletic teams came to be called the Blue Streaks was best told by Professor Frank D. Burke of the Chemistry Department some years ago. Professor Burke, in his early days at Carroll, served as an assistant football coach, along with his duties as instructor of chemistry, and his knowledge of sports is vast. In a letter to the Carroll News, student publication, he wrote:

- "... That name (the Blue Streaks) was earned the hard way and came about when Carroll was playing such clubs as Detroit, Marquette, Fordham, and Carnegie Tech—and doing all right, too.
- ". . . It was during this glorious time that a Carroll alumnus, Raymond J. Gibbons, '24, was one of the sports writers for the Cleveland News, and he developed such an enthusiasm for the club that he became the office pest. More than once Ed Bang (News Sports Editor) had to bottle him up, but forcibly. That didn't bother Ray much, though, and he attended every practice and every game and told Cleveland about them in strident English. Unfortunately, however, he became mortally ill. One of his last requests was an ambulance trip to our practice field so he could look over the boys just once more. As he watched them running and catching he said: 'There they go, just a bunch of "Blue Streaks"!" He died one week later.

The name caught on with the sports writers in Cleveland: John Carroll and the "Blue Streaks" were one.

WILLIAM DANDO

Head Football Coach

After serving the past four years as back-field coach under Head Coach John Ray, Bill Dando moves into the spot vacated by Notre Dame-bound Ray. This assignment is doubly challenging. Not only does he replace the best coach in John Carroll's history, but he must defend Carroll's claim to the PAC champion-ship. This will be a difficult task with a team hit hard by graduation. It will be Dando's job to develop several highly promising sophomores to fill the shoes of the veterans of the last two unbeaten campaigns.

Born in Ashland, Pa., and raised in Gordon, Pa., Bill attended Ashland High where he was a four-sport man, gaining All-State honors in football and baseball. Upon graduation, Bill moved West, attending San Francisco University and playing football and baseball for a year.

At the outbreak of the Korean War, Bill joined the Marines. While in the Service, he starred for three seasons with the Memphis Navy Base and Quantico Marines.

In 1955, Dando began a sparkling career at the University of Detroit. He was named an All-Catholic, All-American as he played halfback and quarterback in three seasons at Detroit. A versatile athlete, he played left field with the baseball team, and in 1959, he lead his team to the NCAA Baseball Tournament.

In 1960, Dando was named backfield coach at John Carroll where he worked with John Ray, his former coach at Detroit. Under his tutelage, Carroll acquired one of the best running attacks in the area. In four seasons, Dando developed the Blue Streak backs to the point of having ten backs gain 100 yards or more in one season.

Bill is married to the former Frances (Willie) Cavanaugh of Detroit. They have four children: Marie, 5; Ann Louise, 3; Molly Catherine, 2, and Joseph, 1.

BILL KANE

A big rebuilding job faces second-year line coach Bill Kane, a product of the University of Detroit and a protege of former Head Coach John Ray. Appointed line coach in the spring of 1963, Bill tutored the offensive line last season. The tremendous pass protection afforded Carroll quarterbacks McPhie and Mirguet is a measure of his success.

Bill began his athletic career at West Side Central Catholic High where he was a foursport letterman. He collected 16 athletic awards as well as a place on the All-State team in football.

After graduation he moved on to the University of Detroit under the urging of John Ray, then an assistant at Detroit. He lettered as a sophomore, but a shoulder injury brought a promising career to an end. After graduating from the University of Detroit in 1962, he came to Carroll to work with his former tutor, John Ray. As head freshman coach in 1962, his team finished with a perfect season. Bill also doubles as coach of the tennis team.

Bill is married to the former Barbara Hedeen of Detroit.

JERRY SCHWEICKERT

Backfield Coach

With the appointment of Bill Dando to fill the shoes of John Ray, Jerry moves up from the freshman team to tutor the varsity backfield. As coach of the freshman squad last year, he guided the team to a 2-1 season. In 1960, Jerry's Streaklet team finished with a perfect 3-0-0 mark. Many of the workhorses of Carroll's 1962 and 1963 championship teams developed under his tutelage.

A native Chicagoan, Jerry attended DePaul Academy, where he gained honors in football and basketball. After high school, he entered John Carroll in 1955. From his sophomore year on, Jerry never left the starting backfield. He was picked on three straight All-Conference teams, a rare feat, and was also named All-Catholic All-American as a senior. He led the PAC in passing in 1958 and in scoring in 1959. An all-around athlete, he was the PAC's leading punter in 1957.

In addition to his athletic honors, Jerry received John Carroll's highest award, the Beaudry Man of the Year Award, given to the outstanding senior.

After graduation, he was hired as freshman coach at Carroll. The following year he reported to Fort Eustis, Virginia, as a Second Lieutenant and a graduate of the Carroll ROTC program. While there he played defensive halfback for the Eustis "Wheels," U. S. All-Service Champions.

In addition to his duties during the freshman football season, Jerry also coaches the freshman basketball squad.

Jerry married the former Beverly Walter of Cleveland. They have one child, John Martin, and are expecting another.

Tony DeCarlo Freshman Coach

Dick Iliano Trainer

The newest addition to the coaching staff is Tony DeCarlo, appointed freshman football coach and varsity wrestling coach by Athletic Director Herb Eisele this summer.

A graduate of Painesville Harvey High School, Tony starred in football and wrestling. After lettering in both sports at Kent State University, Tony graduated in 1962 and served as an assistant football coach at Cleveland's Saint Edward High School during the 1962 and 1963 campaigns. He also doubled as head coach of the track squad and varsity wrestling coach.

DeCarlo's addition to the staff brings experience and the ability to develop young players rapidly. His experience includes four years of football at Kent State, as well as two years as a first-liner on the varsity wrestling team.

Tony is married to the former Rita Lawrinson of Cleveland. They have one child, Deborah Ann, six months. The DeCarlos make their home in Lakewood.

Whether or not the season is a successful one, the John Carroll athletes will enjoy top physical health thanks largely to the training and care of "Doc" Iliano. Since his arrival here in 1947, he has made each team member's health and condition a matter of personal concern.

A graduate of Baldwin-Wallace College and Western Reserve University, Dick holds a Master's Degree in body fitness and mechanics. While at Baldwin-Wallace, he won his letter in football in 1938. After college, Dick spent three years with Army Ordnance Corps during World War II.

Dick has compiled a record of outstanding achievements and accomplishments in the Cleveland area. A charter member of the National Athletic Trainers Association, he served for five years as trainer for the Washington Redskins and a year with the Pittsburgh Steelers when they were in the Cleveland area. Dick was the official trainer for two All-Star basketball games in Cleveland and also the official trainer for the sectional high school basketball tournament for two years.

1964 OUTLOOK

Ohio Northern is out to avenge last year's 14-0 defeat suffered in the initial meeting between the two squads. The powerful Polar Bears are owners of a 6-3 record, having lost 3 of their last 4 games. The attack is led by senior quarterback Jim Finch, who has passed for 596 yards this year. His favorite receivers are senior end Gary Warner and junior end John Smith. Their top ground gainer is junior halfback Mike Kobilarcsik with 488 yards in 103 carries, tallying six touchdowns. Sophomore halfback Dan Yochheim, subbing for injured captain Dick Wollenzier, has scored three touchdowns, while Wollenzier has 22 points to his credit. Senior linemen Butch Phillips, Larry Imbody, and Gary Warner, and juniors Carl Gerbasi and Chuck McMasters will see action both ways.

JOHN CALABRESE (74)

6'1" . . 197 . . End . . Sophomore . . College Park, Md.

"John L." is out to nail down a starting position on the defensive unit. A transfer student from St. Mary's College, he played freshman ball last year. His rugged aggressiveness makes him a tough competitor.

ROBERT CAREY (10)

5'7" . . 155 . . Quarterback . . Sophomore . . Pittsburgh, Pa.

Little Bob is a good ball handler who will give the Blue Streaks depth at the quarterback slot. Coach Dando hopes that he will develop with pre-season experience.

SAL CATANESE (86)

5'11" . . 175 . . End . . Sophomore . . Steubenville, Ohio

A member of the '63 Streaklet squad, Sal is a fine prospect with an excellent chance of landing a starting berth. He promises to be one of the most valuable additions to the '64 Blue Streaks.

* STEVE CHAMBERLAIN (54)

6'3" . . 205 . . Center . . Junior . . Rochester, N. Y.

Steve was used sparingly last year as a substitute for Bill Waldner. Coach Dando predicts a fine year at center for big Steve, who has all the makings of an all-conference performer.

JOHN DALY (45) 6'0"...190...Fullback...Sophomore...LaGrange, Illinois

A standout with the freshman squad, John hopes to be playing first or second string this year. He is an outstanding downfield blocker and runs hard. He could be one of the key figures in the new Blue Streak attack.

* DENNY DeJULIUS (35) 5'8" . . 160 . . Halfback . . Senior . . Cleveland, Ohio

Denny had an outstanding year as a defensive back in 1963 and should repeat. While alternating as defensive halfback, "D.J." intercepted two passes. His exceptional speed and great break-away ability make him a threat in the offensive backfield, and he may see action on the punt and kickoff return units. He received the John D. Connors Award as the outstanding freshman player in 1961.

an

BILL DERRICK (80) 6'1"... 195... End... Senior... Sandusky, Ohio

Injuries have plagued Bill for the past two seasons, but he reported to camp healthy. He is fast and has fine moves and should help the team. In the spring, Bill runs dashes for the track team.

DENNIS DRENNAN (63)

5'9" . . 186 . . Guard . . Sophomore . . Berwyn, Illinois

With only veteran guard Jack Hewitt returning, aggressiveness and spirited team play could land Drennan a spot on the offensive line. A stocky boy who hits like a bull, Denny moves fast and learns quickly. He figures heavily in Coach Dando's plans.

CHARLEY ENGLEHART (79)

6'6" . . 280 . . Tackle . . Senior . . Cleveland, Ohio

The biggest man on the '64 edition of the Blue Streaks, Charley will beef up the defensive line. He moves fast for a man his size, and his aggressiveness should worry opponent linemen. He could plug up the gap left by the graduation of Tony Gibbons.

BILL EVANS (13)

5'6".. 150.. Halfback.. Sophomore.. Baltimore, Md.

What Bill lacks in size he makes up for in speed and determination. The smallest man on the team, Evans is fighting for a spot in the offensive backfield. He could develop with experience.

* JIM FINNERAN (78)

6'1" . . 240 . . Tackle . . Junior . . LaGrange, Illinois

Jim worked with the defensive unit last year but saw little action. He is a rugged competitor and may be ready to step into the shoes of Chuck Smith. His size and tremendous strength will help the Blue Streaks.

GEORGE GACKOWSKI (36)

5'7" . . 170 . . Halfback . . Sophomore . . Cleveland, Ohio

Coach Bill Dando has been grooming George for a spot in the defensive backfield. He is fast and likes to hit. He will provide important depth in the defensive secondary and could develop into a top-notch performer with experience.

TOM GANNON (12)

5'11" . . 175 . . Quarterback . . Junior . . Pittsburgh, Pa.

After an outstanding freshman season, ex-Marine Tom saw little action last year. He has excellent control and can throw the long bomb. Tom was an outstanding defensive back in high school and may see action in the defensive secondary.

JOHN GIBBONS (53)

6'1" . . 220 . . Tackle . . Junior . . Cleveland, Ohio

One of the biggest additions to the Blue Streak roster, newcomer John is a transfer student from Cincinnati. His size and exceptional speed will bolster the offensive line. He will be vying for Bill Kerner's old spot.

6'0" . . 195 . . Guard . . Junior . . Pittsburgh, Pa.

A pleasant surprise in his sophomore year, Jack is being tabbed for All-PAC honors this year. The only starter returning from the interior offensive line, Jack can be counted on to supply aggressive leadership. He should provide the pass protection which Dick Sands will need. Jack can also be used on defense.

TOM HIGGINS (44)

6'0" . . 190 . . Fullback . . Sophomore . . E. Williston, N. Y.

Coach Dando gives Tom an excellent shot at a starting berth. One of the brightest graduates of the 1963 Streaklets, Tom needs only experience to develop into a solid performer. He possesses good speed and runs well up the middle. He led his high school to two consecutive championships.

* DICK KEIDEL (25)

5'11" . . 170 . . Halfback . . Senior . . Baltimore, Md.

After being hampered by injuries in his freshman and sophomore years, Dick finally got a full season under his belt in 1963. He alternated in the defensive backfield, developing into a solid performer by the end of the season. One of the few veterans returning to the famed "Wolf Pack," Dick is ready for an outstanding year.

* BILL KICKEL (26)
6'0"...188...Halfback...Senior...Cleveland, Ohio

Fast-moving, high-stepping Billy played for the second team last year, averaging 4.1 yards per carry, good for one touchdown. Bill has the speed to sweep the ends, and he may see action at the flanker spot. He has put on twenty pounds since the end of the '63 campaign, and this should give him the added power for packing the ball through the middle. A strong performance in pre-season play may win him a starting berth at right halfback.

FRANK KOZELKA (60)

5'9" . . 190 . . Guard . . Sophomore . . Brecksville, Ohio

A strong stocky boy, Frank is an outstanding blocker with a good chance to crack the starting lineup. He is a tough competitor and will give the team depth in the interior line. He lacks experience but has a fine attitude.

BOB LANG (73) 6'2" . . 195 . . Tackle . . Sophomore . . Rumson, N. J.

Big Bob had an outstanding year as a freshman and should give the team added depth. Bob needs only experience to develop into a regular. His size and competitiveness give him a chance to land a starting berth.

* JACK LOEFFLER (88)

6'2" . . 195 . . End . . Senior . . Bedford, Ohio

Jack opened the 1963 campaign as the number two tight end but won a starting assignment in the Ohio Northern game. He hauled in eleven passes, good for 133 yards and one touchdown. Quarterback Gus McPhie connected with Jack for the only touchdown in Carroll's 9-3, last-minute, come-from-behind victory over Reserve. A two-year letterman, Jack is touted as a sure bet for the all-conference team. He has the ability to become one of Carroll's all-time greats.

LEO "BARNEY" McGINLEY (10)

5'9" . . 168 . . Quarterback . . Sophomore . . Pittsburgh, Pa.

Barney has been switched from halfback to quarterback to make better use of his passing talents. He could also see action in the defense backfield. What he lacks in size and experience, he makes up for in hustle.

JOE MIKLICH (76)

6'1" . . 245 . . Tackle . . Junior . . Cleveland, Ohio

Little is known about this newcomer from Indiana University. Coach Bill Dando hopes to get excellent service out of him on the defensive unit. Joe is a big man with excellent speed and good lateral movement. If he starts to throw his weight around, he will give PAC quarterbacks many rough moments.

TOM MURRAY (24) 5'10" . . 185 . . Halfback . . Junior . . Flushing, N. Y.

An all-city back in high school, Tom may blosssom into an outstanding back this year after seeing only limited service last season. He has fine speed and good moves and may see action at offensive end.

PAUL NEMANN (68)

5'11" . . 200 . . Guard . . Sophomore . . Cincinnati, Ohio

Paul is a strong stocky boy who will give the team depth up the middle. He had a good year as a frosh after starring for St. Xavier H. S. in Cincinnati and rates as a top contender at offensive guard. His fierce desire to win and powerful drive make him a tough competitor.

AR

* RON NIEDZWIECKI (83) Captain 6'0"..210..End..Senior..Centerline, Michigan

Every quarterback in the conference knows Ron as a real "irresistible force." He teamed up during the past two seasons with John Kovach to form the most feared one-two defensive end combination in the PAC. Voted captain this year, Ron's take-charge attitude and team spirit make him an excellent choice. A two-year letterman and a stalwart of the "Wolf Pack," speed and sheer toughness make him an all-conference prospect. He won all-city, all-state, and all-conference honors as a tackle and center in high school. Ron can fill in at center if he is needed.

NICK NOVICH (56)

6'1" . . 191 . . Center . . Sophomore . . Chicago, Illinois

A star performer from DePaul Academy, Nick displayed fine form as a freshman and may push Chamberlain for the starting spot over the pigskin. He is fast and aggressive. Coach Dando is watching his development closely.

MIKE OLENYCH (34)

6'0" . . 195 . . Halfback . . Sophomore . . Baltimore, Md.

Mike may see action this year with the "Road Runners." He runs well up the middle and will provide depth at the halfback position. Early reports on him are encouraging, and he will be giving the veterans a battle for their jobs.

JIM PIETRASZEK (26)

5'11" . . 165 . . Halfback . . Sophomore . . Buffalo, N. Y.

What he lacks in size he makes up for in determination. Jim has good speed and gives Carroll another break-away threat. If he develops early in the season, he could be valuable.

* JIM RICHARDI (75)

6'0" . . 210 . . Tackle . . Senior . . North Bergen, N. J.

Jim sat out last year after lettering as a sophomore. His return to the active list will bolster the interior line. He is a rugged competitor and always gives a 100% effort. Jim has a good chance to break into the "Wolf Pack."

* JOHN RIOUX (46) 5'10" . . 195 . . Fullback . . Senior . . Detroit, Michigan

One of the hardest tacklers on the team, John saw action as a line-backer in '63. His speed and alertness in diagnosing plays resulted in many losses for PAC opponents. He is a powerful runner and will be used mainly at fullback. He is out to nail down the starting assignment.

BILL RYAN (64) 5'10"...205...Guard...Sophomore...Buffalo, N. Y.

A hard-nosed boy, scrappy Bill is one of the brightest prospects to don the Streaks uniform this year. His tremendous strength and ruggedness make him a tough competitor. Bill is ready to throw his weight around. He may also be used at linebacker and may share some of the kicking chores.

* DICK SANDS (18)
6'2" . . 202 . . Quarterback . . Senior . . Baltimore, Md.

After lettering two years as a defensive halfback and safety man, Dick has been handed the quarterbacking chores by Coach Bill Dando. The position is now new to Dick, who set records in high school for (1) number of TD passes, (2) total yardage, (3) number of attempts, (4) number of completions, and (5) percentage of completions. He is a strong, bull-like runner who will make excellent use of the roll-out patterns. He is a first-rate ballhandler and blocker, and Dando predicts all-conference honors for him. He intercepted four aerials last season to lead the Blue Streaks in that category.

JOHN SCHERER (43)

6'0" . . 185 . . Halfback . . Sophomore . . Norwalk, Ohio

One of the biggest backs to graduate from the freshman squad, John must be rated as a darkhorse. He has fine moves and good power and could break into the starting lineup with a good showing in preseason scrimmages.

13

* BARRY SCHONFELD (13)

5'10" . . 190 . . Halfback . . Senior . . Detroit, Michigan

Last season Barry surprised everyone but his teammates by nailing down a starting berth. As a defensive halfback, he intercepted three passes. Coach Dando has switched him to left corner linebacker to better take advantage of his great speed and brilliant flying tackles. Dando calls Barry "the toughest tackler on the squad" and looks for him to win all-PAC honors. He was an all-city and all-state selection while playing for Benedictine H. S. in 1959 and 1960, setting a record by tallying 51 touchdowns in four seasons.

* ROBERT SPICER (23)

5'10" . . 170 . . Halfback . . Junior . . Cleveland, Ohio

All-PAC, All-Catholic All-American Bob Spicer can be counted on to lead the offensive unit on to another high scoring campaign. He led the Blue Streaks in 1963 in rushing (443 yds.), scoring (32 pts.), and average yardage per carry (4.4 yds.). He also caught 12 McPhie passes, good for three TD's and 172 yards. He has good power through the line, excellent balance, and tremendous speed. Superlatives are not wasted on "Jetstream" Bobby. Look for another outstanding year from this former St. Ignatius back.

TRACEY SMITH (77)
6'2".. 220.. Tackle.. Sophomore.. Cheverly, Maryland

Another of a crop of big, bruising sophomores, Tracey is highly touted by Line Coach Bill Kane. He lacks experience, but his rough treatment of opposing quarterbacks and aggressive play could land him a starting job.

DAN RYAN (36)

5'9" . . 180 . . Linebacker . . Sophomore . . Cleveland, Ohio

Dan joined the team late, but his determination landed him a spot on the "Wolf Pack." Ryan captained the Saint Ignatius eleven that won the City Championship in 1963. He has great speed and hits hard.

KEVIN STONE (87)

5'11" . . 185 . . End . . Sophomore . . Flushing, N. Y.

Kevin could be the "sleeper" of last year's freshman squad. He has looked good in early drills and could push his way into the starting lineup. He needs experience to develop into a top-notch player. Stone scored 58 points during one season while playing for Holy Cross H. S.

EDMUND STOREY (66)

5'10" . . 185 . . Guard . . Sophomore . . Youngstown, Ohio

Little is known about Storey, a darkhorse at the guard position. He is a good blocker and gives the team depth up the middle. He has a fine attitude, but needs seasoning to become a regular.

DAN WITMER (15)

5'11" . . 175 . . Quarterback . . Sophomore . . Dearborn, Mich.

Dan is one of the most promising graduates of the '63 Streaklet squad. He is a good ball handler and has been impressive in pre-season drills. Coach Dando will be watching him this year with an eye toward the '65 campaign.

* FRANK WRIGHT (89)
6'1" . . 195 . . End . . Senior . . Flushing, N. Y.

A two-year letterman, Frank appears ready to receive all-star billing. He can play offense or defense, but Coach Bill Dando is grooming him for tight end duties. He has good hands, good moves, and hits hard If Frank plays up to his potential this season, his name will be listed among the all-conference choices.

Cross Country Outlook

Captain Jim Herak, one of the top ten runners in the Presidents Athletic Conference, will be among four lettermen returning to the John Carroll Cross Country team for 1964.

Herak, a 5-11, 165-pound standout from Cathedral Latin High School in Cleveland, led last year's squad by consistently finishing with times close to 22 minutes. This season, according to Head Coach John Keshock, "It is very possible that he will move into the 21 minute range." If so, Herak will be a match for anyone in the PAC.

Also returning is Kevin Leigh. John Carroll's Number 2 runner last season, Leigh also is expected to show improvement over last year's solid performance.

The two remaining lettermen back to the 1964 squad are Mike Masterson and Mike Perme. Both Juniors, this pair could very well challenge for the Number 2 position on the team.

A sophomore with promise is Mike Yohmans. The Chanel High product could become one of the pleasant surprises of this 1964 campaign which begins when John Carroll triangular meet, Oct. 3.

Soccer Outlook

This marks the first year for soccer at John Carroll. The school thus becomes the fourth member of the Presidents Athletic Conference to field a team in a sport that is growing rapidly across the nation.

Named to head up Carroll's first soccer varsity is Ralph Pica. Although this is his first coaching assignment, Pica is no newcomer to the game itself.

Born in Rochester, N. Y., he attended John Marshall High School. There he won four varsity letters in soccer, playing for a team that put together a string of 32 consecutive victories and won two Western New York regional championships.

Following graduation, Pica went to Hobart College. There he also starred in soccer, winning three letters. His senior year he was elected captain and was the team's leading scorer, averaging a goal per game.

In 1964, Pica will introduce to the Blue Streak Soccer team an offense that includes some 27 different variations. He definitely wants to make soccer a big hit at John Carroll and says he will not accept the fact that he is building a team as a reason for not winning ball games.

The team opens it initial season at Western Reserve University, October 3.
