 ESSAY: *Summary of Chemical-Rocket-Engine Heat-Transfer Processes and Associated Theories.*
- ROBERT PHILIP ULMAN, B.S._____John Carroll University, 1960
 THESIS: *Ultrasonic Attenuation as a Function of Frequency and Temperature in Aluminum.*

THE GRADUATES' PLEDGE OF LOYALTY AND SERVICE

Administered by
THE VERY REVEREND HUGH E. DUNN, S.J.
President of the University

During your years of study, this university has endeavored to inspire you with a love of truth in religion, in morality, and in science.

The degrees that you have received today admit you into that select company of men and women of all centuries and of all countries who have enjoyed the privilege of academic training, and who bear before the world the duties and responsibilities which scholarship and culture entail.

From the groves of Athens, from the medieval universities of Bologna, Paris, Salamanca, and Oxford, from our modern institutions of learning, your predecessors have gone forth, marked by culture, zealous for the spread of truth, trained for leadership.

The faculty of John Carroll University are met here to welcome you to the companionship of learned men and women.

The John Carroll Alumni Association, moreover, extends to you today a warm and friendly welcome to its ranks. It is to be hoped that your active membership in that organization will keep you closely associated with the university in the years that lie ahead.

In the name of the university I charge you to be true to the principles you have learned, and in particular to that supreme principle under which you have been trained:

ALL TO THE GREATER GLORY OF GOD

In this hour it is right that you should declare your purpose in life and repeat after me this solemn pledge:

I solemnly pledge myself:

TO BE FAITHFUL TO MY ALMA MATER UNTIL DEATH
TO SERVE GOD AND MY FELLOW MAN
TO KEEP MY HONOR UNTARNISHED
TO BE LOYAL TO MY COUNTRY AND TO MY FLAG
TO HOLD THIS DEGREE AS A SACRED TRUST

May the Lord direct you in all your works and further you by His help and grace that all your actions may begin, continue, and end in Him to the greater glory of His Holy Name.

SONS OF CARROLL

*Sons of Carroll, gather near her,
Let your joyful anthem ring;
Sound your Mother's praise, revere her,
Her fair name full proudly sing.*

*Loyal ever, brave and true,
We, the sons of Carroll U.,
Pledge our love to Alma Mater,
To the Gold and Blue.*

*Unto noble conquests guiding,
Kindled she our hearts to strife;
Wisdom taught us, faith-abiding,
Showed us manhood—worth of life.*

*Grateful hearts we bring to you;
Hail with song our Carroll U.
Long may live our Alma Mater,
Long—the Gold and Blue.*
