John  
Carroll  
University

Commencement  
May 23, 1982

John Carroll University takes its name from John Carroll (1735-1815), the first Catholic Bishop in the United States. He became Bishop of Baltimore in 1789, after five years as Superior of the American Mission. A Jesuit for some twenty years until the suppression of 1773, he was a man of good theological background, and possessed of an historical perspective. He had definite ideas about a liberal arts education, was well-read, and showed himself open to the new experience of the young Church in the United States.

## ORDER OF EXERCISES

### *Processional*

#### America, the Beautiful

Oh beautiful for spacious skies,  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain!  
America! America! God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea.

Oh beautiful for patriot dream  
That sees beyond the years  
Thine alabaster cities gleam  
Undimmed by human tears!  
America! America! God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea.

Formed by the farm, the Navy and the University  
Of Mr. Jefferson, you set forth in your life  
Some virtues the Republic has held dear —  
Discipline, faith, hard work and self-control.  
You adopted us, we claim you as our son.

Here in Cleveland, more than one Society  
Has profit of your trusty counsel.  
Your careful code advanced the cause  
Of ethics in the marketplace. You pray upon your choices,  
John Knox's son, agreeing with Ignatius!

John Carroll has blossomed on your tending.  
You show in all a way more excellent,  
Runner in a race to where love does not cease,  
And the crown imperishable waits.  
You think of God and breathe Him in,  
Quickened by a sense of Him who loved the world,  
And sent the Son, bent on making whole,  
And not on judgment. We thank you for your care;  
You, who time ago set hand to quite another plow,  
Mindful of the Kingdom; and who have not turned back.

In gratitude for all that you have done,  
John Carroll University is proud to grant you, Gordon E. Heffern,  
The American Values Award, 1982.

## PRESENTATION OF THE SPEAKER AND AMERICAN VALUES AWARD RECIPIENT

*Presented by:*  
Elizabeth v. Swenson, Ph.D.

What you have learned in silence and your heart  
You cry now to the housetops,  
The antenna tracery of twenty million viewers  
Faith, hope, love, and insight; you weld together  
The probing of the soul and of the word,  
To lead your viewers and your readers  
On the longest journey, the road inward.

Seizing on the theme of Irenaeus,  
You have made your leit-motif  
That most persistent, restless urge: *to be*;  
Fully human, fully live, and only thus  
To be God's glory.

Patient to that which lies unsolved within our hearts  
You teach us all to love the question  
As we frame the answer, drawing on that deep  
And inner freedom which can change a pattern  
Or a world. Best of all, you tell us:  
Faith is the truth meant to be loved,  
Not known alone, reminding us to love  
As very God;  
Without condition, weighing scale, or calculation,  
Breaking the sound of silence with the word.

In gratitude for your work in television,  
Books, lectures and personal direction  
Putting theology together with psychology,  
Defending and enhancing life,  
John Carroll University is proud to grant you,  
John Powell, of the Society of Jesus,  
The American Values Award, 1982.

## CONFERRING OF DEGREES AND PRESENTATION OF AWARDS

Reverend T. P. O'Malley, S.J.

## PRESENTATION OF HONORARY DEGREE CANDIDATES

*Doctor of Laws*  
H. Chapman Rose, LL.B.

*Presented by:*  
Richard W. Clancey, Ph.D.

While in this symposium, you sit in silence,  
John Carroll honors itself in praising you.  
Sixty years ago and more you grasped  
The golden cord, which Plato  
Calls the State's own common law,  
Oliver Wendell Holmes your guide and master.  
Your memory goes back to Emerson, through Holmes;  
When he stepped down, you read to him in Beverly.  
And then, on his advice, you came back home.  
*Cursus honorum*: associate, partner, now of counsel  
In a Cleveland firm, captain and colonel in the war  
Three times the Senate consented and advised in your appointments;  
You have closely served three presidents.  
And still the work not done, while life shall last;  
A very private person working for the public good.  
The fire lives on in your heart;  
To those who come on after, more than a spark is sent,  
Learning in the dusty purlieus of the law  
That where laws end, tyranny begins.  
To live is to function; if the race is done  
The finishing canter leaves us silent on a peak.  
In gratitude for your public service,  
John Carroll University is honored to name you,  
H. Chapman Rose,  
Doctor of Laws, *honoris causa*.

*Doctor of Laws*  
John C. Wasmer, Sr.  
Florence O'Donnell Wasmer

*Presented by:*  
Very Reverend  
Michael J. Lavelle, S.J.

John Carroll greets you as companions on the way  
Of life together for these seventy years  
Harking back to St. Ignatius and the old West Side.  
Next, we note your sixty years and more together  
And remember Chaucer's Franklin: lovers must  
Needs be ready to obey the other,  
Desiring long to keep their company,  
Flinging away all thought of mastery.  
Love flees away when mastery appears;  
Off flies that spirit when constrained,  
Remaining, though, when freedom is its air.  
Establishing a family your chief foundation;  
Nearby, you fastened a productive company together.  
Charities on every side, an open hand to  
Each; hospitals, colleges and schools,  
Wasmer long allied with clan O'Donnell, the  
Aboo! All your gifts were done without the trumpet  
Sounding. So we greet you, John and Florence,  
Mindful of your long and fruitful road together,  
Eminent in charity. John Carroll  
Renders thanks, and calls you friends.  
In gratitude for the family you have built, reaching to third  
and fourth generations;  
your productivity in a Cleveland specialty, your tireless giving,  
John Carroll University is honored to name you  
John and Florence Wasmer, Sr.,  
Doctor of Laws, *honoris causa*.

*N.B. Because printing deadlines must sometimes be met before a final graduation list is compiled, it is possible that the contents of the above roster may not be entirely accurate. This program is not an official university document and does not constitute a certification that all of those whose names appear here have actually completed degree requirements.*

*President, Alumni Association*

### THE ALUMNI MEDAL

The Alumni Medals are conferred annually as the highest award of the John Carroll University Alumni Association upon alumni and others who have, through the distinguished conduct of their lives, either brought extraordinary credit to the university or contributed conscientious service to the Alumni Association, or both. The recipients of the award this year are:

#### JOHN R. CARPENTER, M.S. Ed., Professor of Sociology

*Honorary Alumnus*

Nearly three decades of service to the sons and daughters of John Carroll epitomize the singular purpose of our honoree's mission. To teach, counsel, shape, and mold — that is, and has been, the guiding force behind the man. No fewer than 12,000 alumni have been touched by our dear "Mr. C."

Relentless in the pursuit of excellence, this sociologist has taught and written in criminology and correction psychology. He serves his community well as a board member of Marycrest School and as a lecturer at the Police Academy.

He was the visionary architect for "Life in the Western Reserve: The Culture of Greater Cleveland" — a forum that has brought acclaim to our beloved University.

Selfless to a fault. Last on his own list of receiving. An exemplar of Christian dedication. He has followed the careers of our alumni long after they last walked through Carroll's doors. Always available. Always willing. His humorous, but wise counsel has been ever present.

It is, therefore, with our deepest gratitude and admiration that we — his family — present the Alumni Medal to our friend and professor John Richard Carpenter.

#### JOHN V. CORRIGAN, LL.B., Class of 1943

Poet Kahlil Gibran observed, "It is when you give of yourself that you truly give."

Our honoree embodies such giving. His career is a model of dedicated public service. Historic Ohio legislation bears his mark. In more than a quarter-century on the bench, he has labored tirelessly to improve the courts system, the administration of justice, and the quality of legal professionalism. He led the development of the Justice Center.

His talents and energies have advanced untold causes — from child welfare, care for the poor and retarded, and education, to health care, safety, and school sports. He is a past Trustee of the National Alumni Association, one of the legion organizations he has served.

Devoted husband and father, distinguished jurist, outstanding Catholic layman, he exemplifies the whole person John Carroll University educates in the Jesuit tradition.

We are proud to award the Alumni Medal to the Hon. John V. Corrigan of the Class of 1943.

## WALTER E. SMITH, Ph.D., Class of 1958

Devotion to science need not lead to narrow specialization. The diverse achievements of our Honoree, Dr. Walter Smith, testify eloquently to this thesis.

Immersed in Physics at John Carroll, where he earned both bachelor's and master's degrees, Dr. Smith found the study of science in a liberal arts environment to be a liberating preparation for a career whose path has crossed several disciplines.

An accomplished engineer and scientist with a doctorate in metallurgy, Dr. Smith also is a business entrepreneur who owns and operates two die casting companies and is the managing partner of a commercial realty management firm. As a scientist, he has published twelve technical papers, edited three books, and is the holder of three patents.

Ardently devoted to the Department of Physics, Dr. Smith was a leader in establishing the Lawrence J. Monville, S.J., Scholarship Fund, an alumni-supported program which attracts outstanding students to John Carroll to major in Physics.

In recognition of his notable professional achievements, his unflagging commitment to his family as a loving husband and father, and his generous service to the University, the Alumni Association is honored to present its Alumni Medal to Walter E. Smith, Ph.D., of the Class of 1958.

## ACADEMIC DRESS

European universities show more diverse costumes than do American schools. In the procession, both sorts will be seen. Generally:

### Gowns

The Doctoral gown has bell sleeves with velvet trim. More commonly black, but it can be the color of the academic discipline. The Master's gown has half or oblong sleeves. The Bachelor's gown has the long pointed sleeves; and it is always closed in the front.

### Hoods

Doctors, Masters, and Bachelors are 4', 3½' and 3' respectively, and all are black. The color of the velvet is distinctive of the subject to which the degree pertains, e.g., Arts, White; Business, Drab; Education, Light Blue; Law, Purple; Philosophy, Olive Green; Science, Golden Yellow; Social Work, Citron. All hoods are lined with the official colors of the school conferring the degree.

### Caps

The traditional is the mortarboard, though the tam and the Elizabethan will be seen on some of the faculty. The tassel is most often black, Doctors frequently wear gold, and lawyers wear purple.
