GATHERING AROUND Richard Murphy, newly elected Carroll Union President, are his staff, from left to right, John Scanlan, veep, James Seeberg, secretary, and William Norkett, treasurer.

New Officers Convene Initial Union Meeting

Richard Murphy called to order his first Carroll Union meeting last Tuesday evening. Murphy, a social science major, had been Union treasurer. He succeeds Frank Tesch as President.

Other officers picked were John Scanlan, vice president, James Seeberg, secretary, and William Norkett, treasurer.

"I intend to stimulate the recent trend of the Union, making it not only a powerful voice in student-to-student relationships, but also an aid in student-faculty dealings," President Murphy said.

Murphy has served as Carroll Union treasurer, junior class president, freshman and sophomore class secretary, French Club treasurer, Little Theater Society president, Chicago Club vice president, and is a member of Mu Theta, Campus Capers, Pershing Rifles, NDTA, Scabbard and Blade, and the Senior Prom committee. He is a graduate of Chicago's Fenwick High School and is a social science major.

Vice president Scanlan said, "In keeping with our plans to improve the Union, we intend to check with other student organizations in the Cleveland area on difficulties they have encountered and ideas that we can use. We have already looked in at Case," he noted.

Scanlan is currently Boosters Club

Thinkers Plan Aquinas Day

For the second year, Philosophy Club members will mark the feast of St. Thomas Aquinas, March 7, with a day of special discussion and emphasis on the medieval philosopher. During the day, members and interested students will participate in a Mass, a symposium, and a joint discussion.

The Rev. Joseph O. Schell, S.J., director of the philosophy department, will initiate the program with a Mass in Rodman Hall chapel at 8 a.m. The Rev. Leonard H. Otting, S.J., professor of philosophy, will preach the sermon.

At 3:45 p.m., a panel discussion with Notre Dame and Ursuline College representatives shall treat the position and effects of Thomism in the twentieth century.

Vincent Punzo, Philosophy Club President, will moderate an evening symposium where papers discussing the relationship of nature and grace and a tribute to Stephen Gilson, professor of philosophy at Toronto University and expert on medieval philosophy, will be presented. John Scanlan and John Pugh will deliver the papers.

Convocation speaker Dr. Vincent Smith of Notre Dame University cancelled his appointment last week for a speaking engagement March 9.

Mr. Charles A. Visgak, instructor in philosophy, said that another speaker was being contacted.

IRC Engages British Consul

Mr. Bernard Flynn, Cleveland attaché to the British Consul, will address the International Relations Club soon as the first in a new program of speeches by foreign officials.

Mr. Flynn will address the group on Anglo-American relations concerning the Middle East situation.

Plans are now being made for a visit from the Italian consul and a joint discussion with Ursuline College.

The Rev. Howard J. Kerner, S.J., moderator, said that the group aims to stimulate interest in foreign affairs and particularly in United States foreign policy.

Membership is open to all students and meetings are held at 1:40 p.m. on Wednesdays in the President's Parlor. "We especially want to acquaint the freshmen and sophomores with this organization and urge them to take an interest in the affairs of our country," Fr. Kerner said.

Mid-Term Enrollment Total Drops

The decrease in the February 1956 enrollment at Carroll was smaller than usual for mid-term registration, according to the Registrar, Mr. Eugene R. Mittinger.

"The enrollment decrease was due in a large degree to the fact that we accepted only a few transfer students from other schools or beginning students, at mid-term," Mr. Mittinger said. "Because of our limited space we have been forced to limit our freshman class. We gave preference to students already attending Carroll and to returning servicemen," he added.

Carroll's enrollment of 3028 in the day school and Evening Division for September was in part due to increased "holding power." Before World War II, enrollment at the University showed a 68% mortality rate, which was 18% above the national norm. After World War II, the mortality rate dropped to 42%, which is 8% below the national mortality norm of 50%.

The February decline lowered the enrollment in the University to 2792. The day school dropped from 1874 to 1722 and the Evening Division from 1154 to 1070. The graduate division, which totaled 217 at the beginning of the fall term, now numbers 179.

An individual breakdown of classes and divisions is as follows:

Day School	Sept. 55	Feb. 56
Freshmen	615	555
Sophomores	458	427
Juniors	323	313
Seniors	253	241
Unclassified	8	7
Total Undergrads.	1657	1543
Graduates	217	179
Total Day School	1874	1722
Evening Division		
Women	280	215
Men	874	855
Total Eve. Division	1154	1070
Total Day School	1874	1722

Total for University 3028 2792
"Although we annually experience a mid-term enrollment decline," Mr. Mittinger said, "we certainly anticipate the usual enrollment increase in September."

Blood Bank Awaits 300 March Donors

"IT'S OURS, AND WE intend to keep it," Booster Charles Novak, right, tells Pershing Rifles Commander Ralph Gorny, center, and Jerome Zavadi, left, president of the Scabbard and Blade Society. The Pershing Rifles were the Boosters' chief competitors in November.

The University's Blood Bank is preparing for its biggest deposit, March 6 and 7 when an expected 300 students, faculty, and staff members will give blood in the Red Cross Bloodmobile.

This will be the first time for the Bloodmobile to spend two consecutive days at the University.

So far this year nearly 50 pints of blood have been withdrawn from the bank by ten members. All students, members of the faculty, staff and their immediate families are members of JCU Blood Bank and can obtain blood whenever needed. Although only 300 persons will be able to donate blood this time, all of those named as members can, in case of their own or their family's need, withdraw blood.

Charged with administration of the Blood Bank is the Scabbard and Blade. The military science department acts as overseer of the bank. Co-chairmen of this blood drive are Lester Lyons and Carmen Cimoroni.

Award Trophy Again
New rules for the awarding of the Scabbard and Blade Drive trophy have been announced by the organization. To be eligible for competition a group must have at least

15 donors, and this total must represent at least 60 percent of the total membership. The winner will be decided on the basis of highest membership percentage donating. Donors may no longer credit their pint of blood to a group of which they are not members.

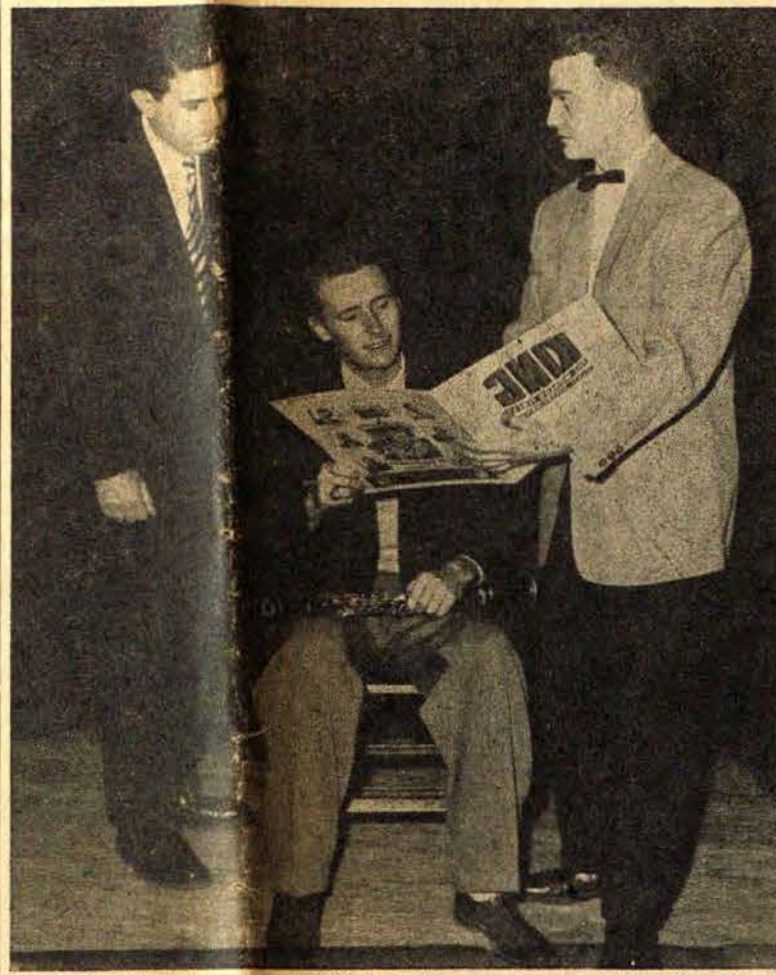

Donors belonging to more than one group will receive credit in each organization which they designate at the time of registration. Persons unaffiliated with organizations will credit their blood to either the class of which they are members or to the faculty-staff group. It is now possible that one of the four classes or the faculty-staff can win the trophy.

Boosters Lead

Permanent possession of the trophy is gained after three awards, two of which must be successive. The Boosters Club won the trophy in the November Drive. The Blood Drive trophy is on display in the military science department trophy case.

"Although all cannot give blood to the Blood Bank, all affiliated with the school can share in it and at times of need receive the amount of blood needed," said Scabbard and Blade officials.

Band, Glee Club Produce Concert To Aid Night Owl Scholarship Fund

WELL, I SEE IT this way, Jack Cornely, president of the Glee Club, (right) tells clarinetist William Schmidt, center, and Band President Jack Chipman. The outfits will present a benefit concert this evening and a regular performance Sunday evening.

12 Frosh Seek Offices In Primary Elections

Polls close this afternoon at 3:30 for freshmen primary elections. Increased freshman spirit over last year's slack interest is evidenced by the total of 12 frosh seeking election.

The fact that only seven men were entered in last year's freshman primary, combined with a small election vote, had caused dissatisfaction in school officials and leaders.

Those entered for president are: Peter Fegen, from Cleveland St. Ignatius, Business Administration major; Donald Gould, graduate of Cathedral Latin, in social science; and William Marks, from University of Detroit High School, in the Business school.

Also Michael Campo, a Chicago St. Ignatius graduate, in social science; and Timothy Crotty, a resident of Wyoming, Ohio and a graduate of Roger Bacon High. He is in social science.

For vice president: David Ross, from Gilmour, in social science; James Hill, an engineering student from Chicago's St. Ignatius; and Thomas Sands, a Cathedral Latin social science student.

According to Carroll Union President Richard Murphy, the primaries will serve as the final election for secretary and treasurer aspirants, since only two are entered for each position.

For secretary: D. Duffy Moran, a

Alumni Mark Ignatian Year

Alumni officers today issued an invitation for students and faculty to participate in the Ignatian Year Mass and Communion breakfast ceremonies on Sunday, March 11.

The Mass, in commemoration of the fourth centenary of the death of St. Ignatius, shall be held in St. John's Cathedral at 9 a.m. The Most Rev. Edward F. Hoban, Archbishop-Bishop of Cleveland, will be celebrant at the anniversary Mass.

A Communion breakfast will be held afterwards in Hotel Cleveland with the Rev. John Courtney Murray, S.J., visiting professor of philosophy at Yale University, serving as guest speaker. Fr. Murray is also a professor at Woodstock College in Maryland, and editor of "Theological Studies."

He was described by Life Magazine as "one of U. S. Catholicism's most creative and penetrating thinkers."

Tickets for the event are available through the office of the Rev. William J. Murphy, S.J., dean of men, and are priced at \$2. Each ticket includes the cost of the breakfast.

Alumni officials stressed that only 2000 tickets will be sold to the breakfast, adding that all area graduates and students of Jesuit schools were being invited to the affair.

By ANDY SWANSON

Tonight and Sunday the annual formal Band and Glee Club concert will be presented at 8:15 p.m. in the Auditorium. The entire proceeds from tonight's concert will go into a scholarship fund for needy evening division students.

The presentation tonight was worked out by the Rev. Richard T. Deters, S.J., evening division director, along with Mr. Jack T. Hearn, music director, and the Rev. William J. Murphy, S.J., moderator of the performing organizations.

Fr. Deters urged all students who would not be able to come to Sunday's presentation to attend to-

night's performance. Tickets for the concert were distributed to many of the evening division students in order to make as many contacts as possible for selling them. Standing room was all that was left for latecomers last year, as the attendance for the affair was well over the one thousand mark.

Wear Formal Attire

Formal attire will be the order of the day for the participants. The Glee Club will wear their light blue formal jackets, while the bandmen will sport their tuxedos.

Part of the program will be devoted to a musical tribute to Mozart. Both music groups will be participating in the two hundredth anniversary commemoration of the famous Austrian composer's birth. The Glee Club will sing his "Ave Verum Corpus," and the Band will perform a lesser known Mozartian overture, "La Finta Giardiniera."

Membership has increased in both musical organizations. Glee Club President Jack Cornely reports that the addition of a great number of first tenors and basses has enabled the club to perform more difficult selections. Band President Jack Chipman states that the organization is musically better balanced than last year's group.

Offer Varied Selections

Selections in the Glee Club's presentations include "Josephine-a, Please No Lean-a on the Bell," "In the Still of the Night," "Oklahoma," and several spirituals. Some of the numbers to be performed by the Band are "In a Persian Market," "Russian Sailor Dance," "Jamaican Rhumba," and "Panis Angelicus." "In a Monastery Garden" will be presented by both groups.

To facilitate handling the many details which arise from a production of this type, several committees have been formed. Dan Rourke is chairman of the stage committee, while Ronald Kondrat heads the house committee and Larry Christen is in charge of tickets.

Student activity tickets will be honored only at Sunday's performance.

Gordon Named BEG Club President; Promises Speakers, Trips, Banquet

The Commerce Club meeting of Feb. 10, featured election of officers for the spring semester. Philip Gordon was elected president; Robert Gonnella, vice-president; H. Richard Collins, secretary; and George Vaul, treasurer. They succeeded John Boler, Albert DeGulis, John Finan, and John Weizer.

Gordon is a junior accounting major from Chicago, where he attended St. Ignatius High School. As president of the club, he intends to have it sponsor several guest speakers during the semester. He said that there are also plans for field trips, picnics, and a banquet for all members.

Business majors will be devoting much of their time to Alpha Kappa Psi next year. The dual existence of the fraternity and the club as completely separate organizations will enable business minors to take part in an active leadership of the club," Gonnella said recently. A graduate of Fenwick High School in Oak Park, Illinois, Gonnella is a management major.

According to Collins, a junior accounting major from Chicago's Leo High School, a membership campaign will be staged to raise the club's membership to its highest to-

tal. At the present time there are over 75 members who have paid their dues for this semester.

Vaul, a senior management major from Cleveland's Cathedral Latin, stressed that the Commerce Club is open to all students who are taking any credit courses in the business school. Prospective members and all present members are to attend a meeting today in Room 47 at 1:55.

Med Schools Take Juniors

According to the Office of the Dean of the College of Arts and Sciences, eight juniors pursuing a pre-medical course at Carroll have been accepted into various medical schools around the country. "Only those juniors with top point averages have been accepted," said Miss Joan Zirm, secretary to the Dean.

Those accepted by Loyola University are: James Doyle, Edward Leslie, Robert Niles, and Roger Smith; by Marquette: Merton Beckwith, Eugene Bozyski, and John A. Kenney; and, by St. Louis, Peter Boylan.

All of the acceptances are from Catholic universities.

When asked why they would rather enter medical school than complete college, Eugene Bozyski said, "Well, it will cut down the expense that another year of college would entail."

"It also means that we'll graduate from medical school sooner, and we'll be able to practice sooner," added Merton Beckwith.

Seven senior pre-medical students have also been accepted. Entering St. Louis will be: John Benedict, Michael Stinche, and Emmett Walsh; Marquette: Leonard Belmonte and Philip Ripepi; Ohio State: Jerry Weinberg; and, the University of Pennsylvania: Donald Palus.

Charles Hippler, also a senior, has been accepted into the Western Reserve Dental School.

EXCHANGING HANDSHAKES and titles, Philip Gordon, right, greets John Boler, former head of the group. The new president was elected during a meeting last Friday.

Frosh Prep For Deciding Tilt With Cats

Wednesday night the Streak frosh won their fourth straight league encounter by whipping a strong and spirited Case freshman team, 80-52. Case got off to an early 10-0 advantage only to have Carroll gain the lead at the quarter 15-14. At intermission the Streaks led, 35-30.

Carroll pulled away in the final stanza, scoring 25 points to Case's 6 points.

High point man for Carroll was Paul Strichareyuk with 24 points. Gary Furin, Dick Krebs, and Jim Kenealy meshed 19, 14, and 12 points respectively.

Furin grabbed 16 rebounds, boosting his total to 71 for the season. He also leads the team in scoring with 93 points. Krebs is a close second in total points with 90.

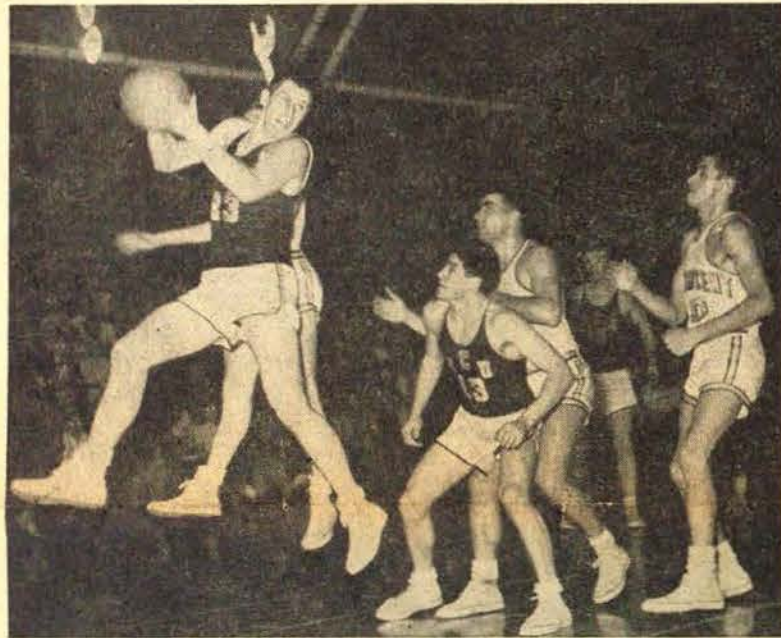

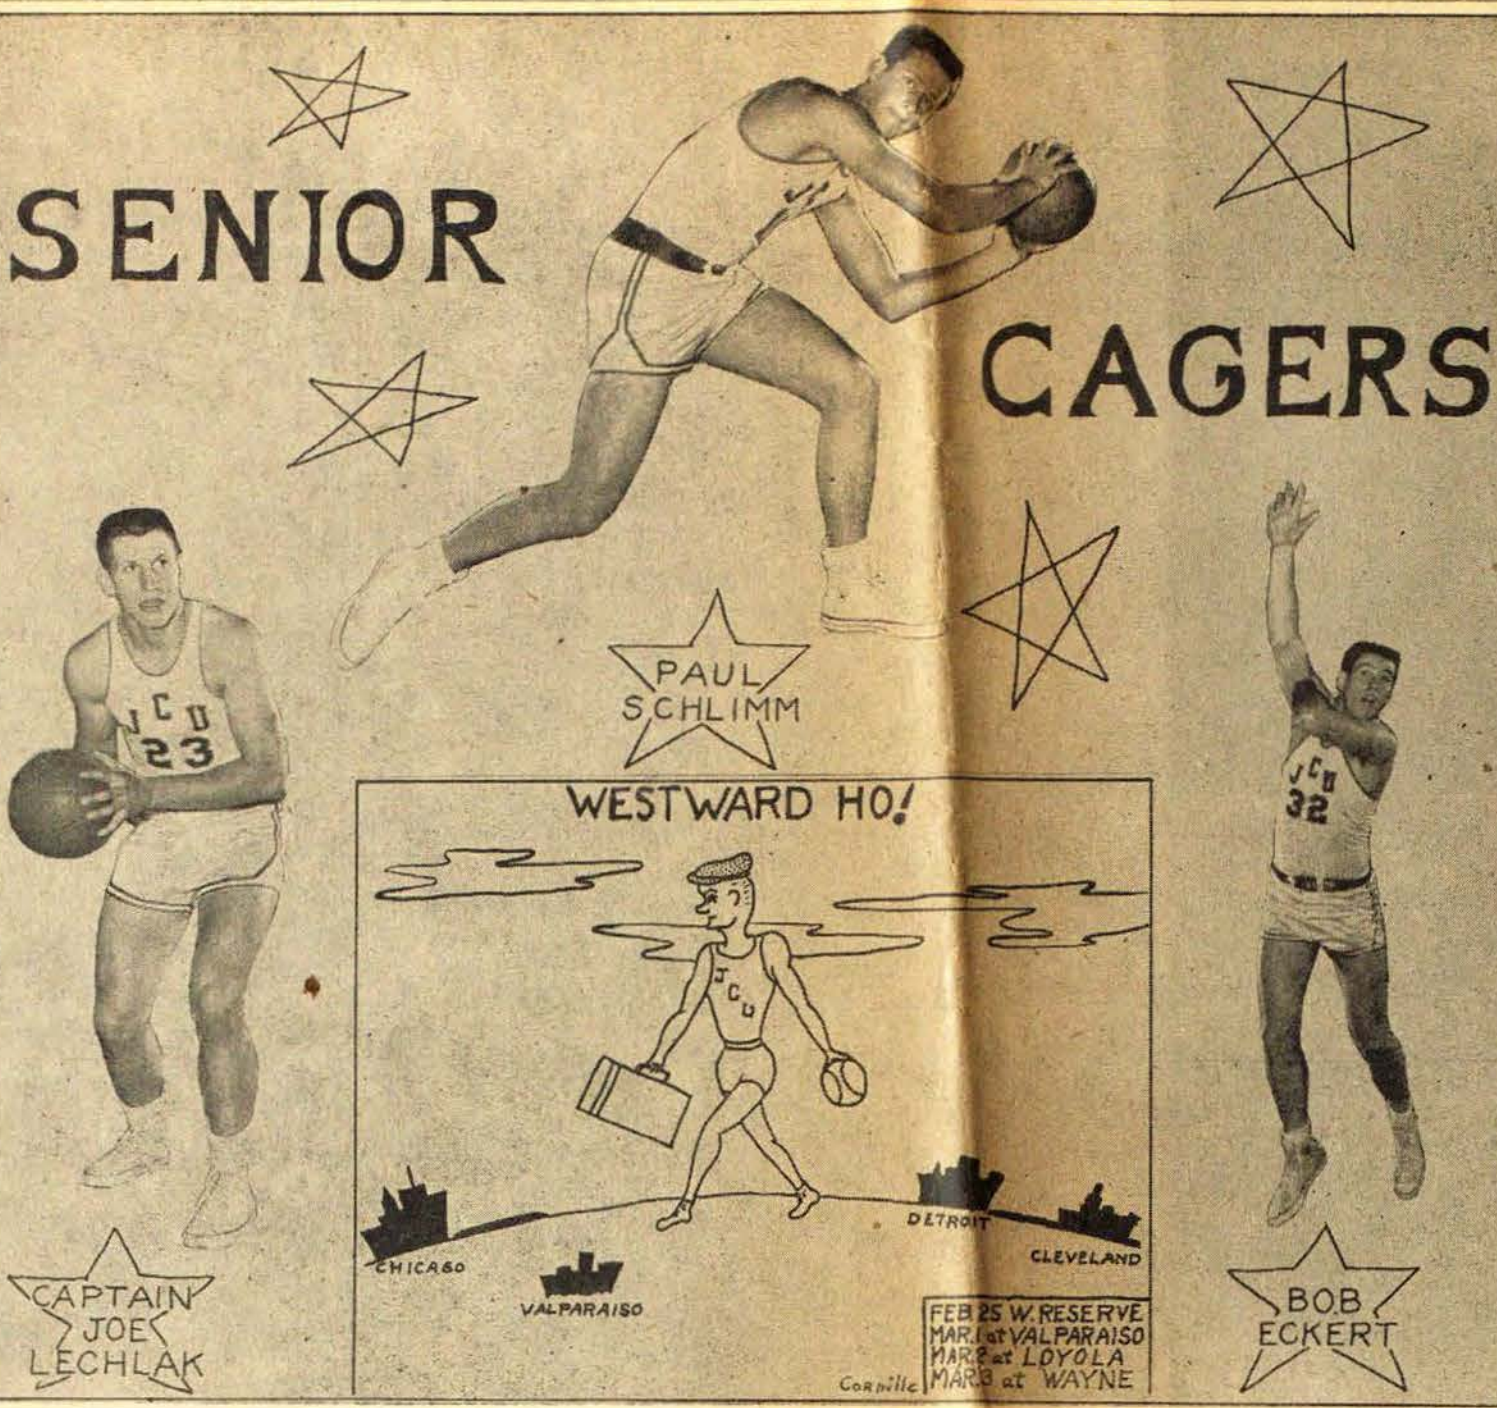

George Ruiz displayed some fine floor play while dunking four points. Ruiz has been a reserve standout all season and when given the opportunity, gives the team added incentive.

Tomorrow night at Shaw Fieldhouse the Carroll freshman basketball team will attempt to ice the Presidents' Athletic Conference freshman trophy when they play the Western Reserve yearlings.

In their last meeting with Reserve, the frosh handed the Red Cats a 61-54 drubbing. But, since the previous game, Reserve has vastly improved so Coach Carl Torch is expecting a close contest.

Going into tomorrow night's game, the Carroll frosh hold a commanding lead in the league with a 4-0 record.

After the Reserve tilt, the only remaining game for the freshmen will be Wayne in Detroit the following Saturday.

JOE LECHLAK FLIES through the air with the greatest of ease looking for Frank Humenik in center. Len Volbert is at far right.

Streaks Stall Riders Offense in 97-82 Win

By PETE BOYLAN

Height proved to be the deciding factor Wednesday night as the Blue Streaks pulled away from a scrappy Case Tech quintet at Shaw Fieldhouse for an easy 97-82 victory. The defeat was the tenth in a row for the hapless Rough Riders, even though bespectacled Joe Girlando contributed 29 points to the losing cause.

For Carroll, the victory was especially welcomed because of a poor showing in Pennsylvania last weekend, in which the Streaks dropped two to St. Francis and St. Vincent.

Streaks Roughen Riders

Against Case the Blue Streaks started slowly, trailing by two points at the end of the first stanza. During the second period, however, the team found the range and grabbed a slim 41-34 halftime advantage. Forward Paul Schlimm tallied 16 of his 24 points during the first half to keep the Streaks in the game. At one time during the second quarter, the Carroll quintet scored 11 straight points.

Against St. Francis of Loretto, Pa., last Saturday, the Streaks were edged 93-89 in a see-saw battle which saw the lead change hands 13 times. Only behind by three points at halftime, the Carroll hoop-

sters knotted the score at 53-53 early in the third quarter on a set shot by Joe Lechlak.

Frankies Mesh 17 Straight

At this point the Frankies broke the game wide open as they scored 17 straight points to take an imposing 70-53 lead. At one time in the second half, the Frankies rolled up a 20 point advantage. Because of the accurate shooting of Lechlak and Schlimm, however, the Streaks whittled away at the deficit and pulled within 4 points as the final buzzer sounded.

Lechlak's 33 points, the highest of his collegiate career, and Len Volbert's 17 tallies almost overhauled the Frankies, last year's National Invitational Tournament semi-finalists.

On the previous night, the cagers fell before little St. Vincent's college of Latrobe by a 90-81 count. Schlimm, the team's leading scorer with a 21 point average, tallied 34 points in that one.

Italian Quintet Captures Division Crown in I-M

By JAY HOLLER

Six teams remain among the unbeaten ranks as Intramural Basketball nears its final week.

The Italian Club "A" team was the first to clinch their division title. Last Monday behind the scoring of Sam Frontino and Phil Schaefer, the Italians ripped the Spanish Club, 71-22.

This win was the fourth in a row for the smooth working Italian quintet.

Angels, Dwarfs Deadlocked
The Bernet Angels and Pacelli Dwarfs remained deadlocked for the Dormitory "A" league. Both teams registered their fifth wins to remain unbeaten. The Angels turned in a 34-19 triumph over the Bernet Bombers behind John Daley's 15 point performance.

Bob Pascente's two buckets in the fourth quarter were instrumental in turning back the Bomber's late surge. Bill Pistner continued his fine play as he bagged 10 points for the losers.

Glee Club Sings No More
The Sodality bounced back from its defeat and sparkled in a 22-18 win over the Glee Club. Jerry Beggy was high for the winners with eight points. Dean Gassman contributed nine points for the losing cause.

In the Dormitory "B" league, the Italian Club "B" team assured themselves of a tie by beating the previously unbeaten Bernet "B" Bombers, 33-16. Tony Frate meshed 14 points for the winners. Ed Daugherty dunked six points for the losers.

Schlimm, Lechlak, and Eckert Round Out Triumphant Basketball Careers

By JERRY CORCORAN

At the Wayne game next Saturday, three members of the Carroll basketball team will close out their collegiate court careers. Soon to be graduated in June are center Bob Eckert, and forwards Paul Schlimm and Joe Lechlak.

Lechlak has been a varsity member and regular for the past three seasons and was captain of the squad this year. He stands 6'4", and played his high school ball at Central Catholic of Toledo.

Lechlak Lacks Nothing

In the thirteen games this season, he has averaged 16.8 points per game, maintained a field goal percentage of 45% and garnered an average of 12.6 rebounds per game.

In his 33 point performance against St. Francis last Saturday, Lechlak set a team season high of 14 field goals in one game. Coach Cornachione lauded his teamwork and the commendable job he has done in his position as team captain in keeping up the high degree of team morale.

Schlimm has been a member of the varsity for three years and a regular since mid-season of last year. He comes from Akron and starred at St. Mary's High School. The 6'5" senior has been enjoying a fine season this year with a scoring average of 20.8 points per game and a shooting average of 48%.

Schlimm Breaks Own Record

Schlimm holds the team high point total for one game during the season with 34 points against St. Vincent's College. He also dunked 16 free throws in that game, also a season record, and he is high man in the rebound department with an average of 14.2 per game.

Coach Cornachione stated, "Paul has done a fine job for the team this season."

The third senior to be graduated this year is the 6'7" center, Bob Eckert. Eckert hails from Tyrone, Pa., and is a transfer student from the University of Detroit.

He has been on the varsity squad for two years. He is currently averaging 10.4 points and 14 rebounds per game and also has a very respectable field goal average of 53%.

This season, Bob set a school record when he hauled down 28 rebounds in the game against Western Reserve, breaking the old record of 20, which was set by John Keshock last season. Coach Cornachione said that he was very pleased with Bob's marked improvement and hard work.

Schlimm, Eckert Honored

Both Schlimm and Eckert have been chosen in the balloting for the All-Jesuit college basketball team. The final voting for this team will be held on March 9.

The team will miss the height and scoring punch of this trio, Cornachione said. A big vacancy was left last year by the departure of George Dalton, Keshock, and Trog Keller, but the task of filling these vacancies was approached with confidence and a very commendable job has been done by their efforts, he said.

FIGHTING FOR REBOUND are Bernet Bomber, John Biesad, of skins and unidentified rebound player. Pete O'Hara at the left and Bill Pistner on the right give teammate encouragement.

Chalk TALK

by lee kenning

Have you ever had the feeling that you were chosen for the coaching profession? Most people think that it is an easy job to travel around the country and guide a basketball team or any other athletic organization to success without encountering difficulties.

No wonder many coaches have ulcers. After the weekend Coaches Sil Cornachione, Herb Eisele, Carl Torch, and trainer Dick Iliano put in, this reporter wonders how they are still walking.

Last Friday, Carroll's basketball team left for their annual eastern road trip into Pennsylvania to play St. Vincent in Latrobe and St. Francis in Altoona. This was the beginning of a hectic weekend.

While traveling along the Ohio Turnpike, the first mishap occurred. Iliano never expected anything to happen when out of the blue sky came a thundering: "Boom!"

Iliano, Tom Tupa, Paul Schlimm, and Bob Eckert all piled out of the car, and low and behold, "A flat!" cried Schlimm. Well, everyone chipped in for his share of the work and the tire was changed in no time, and they thought their troubles were over.

The spare, which hadn't been used in three months, was lacking sufficient air. So, the four giants turned State Police and began flagging down every approaching car in search of a tire pump. It took them 50 minutes to get one and then the four took turns pumping. End of first episode. . . .

The next thing to happen was that the Streaks lost the game to St. Vincent. I have a few things to say about how we lost but they would only be considered excuses by anti-Carroll fans so things will stand as they are.

After the game, while traveling to Altoona, Eisele, Cornachione, Torch, and Iliano got lost in the fog. Visibility was, to say the least, very poor. It is bad enough driving in those mountains on a clear night, so you can imagine how it was when you could see only 10 feet in front of you.

This trying situation forced Torch to smoke his first cigarette. It was a lucky. Iliano exclaimed, "It was just too much for him."

After all that had previously happened, Iliano got another flat tire, and in the fog no less. A rush job was accomplished on the tire and all again was serene until Iliano's headlight fell out. A search through the mist failed to turn up the errant mechanical eye.

Finally everyone was safe for a pleasant night's rest in Altoona. Saturday passed uneventfully until the Streaks lost to St. Francis. Before going to bed that night, Coach Cornachione, because of the nervous strain he had been put through, just had to have something to calm his nerves so he joined Torch in what he tells his athletes is a despicable weed. Please understand, this has not become a habit.

Early Sunday morning, the team attended Mass. After Mass, Cornachione had a very slight accident which resulted in a dented fender and smashed headlight. By this time Cornachione was a bundle of nerves, but wait, there is more trouble ahead.

Coach Eisele got lost in Altoona and had a difficult time of it finding the route which leads to the Turnpike. With some assistance he made it. While cruising along the Turnpike, Cornachione violated the speed limit and was promptly cornered by the State Troopers. It cost him \$13.50, and to top everything off, he lost a new tire somewhere along the Turnpike trail.

Well that just about rounds out the average basketball trip. The athletic department hopes that they will never have another average excursion like that one. Never, never again. . . .

Beware of the Bad West.

Reserve, Valpo, Wayne Complete Cage Season

Playing its last home game of the season, the John Carroll quintet takes on Western Reserve at Shaw Fieldhouse tomorrow night. An improved and determined Red Cat five will enter the tilt with a 6-8 season record. Reserve's last win was against Wooster Tuesday for 49 points to down the stubborn Streaks.

In their previous encounter Carroll defeated the Cats, 88-64, but the University Circle team has come a long way since its dismal season beginning. Darrell Simko, leading scorer and rebounder for Reserve, will play the pivot spot. He is averaging 15 points per game.

Heading West

Valparaiso will open Carroll's road trip on Thursday. The Crusaders, experiencing an unsuccessful season with a 10-13 record, will entertain the Streaks on their home floor.

The Indiana squad has beaten Houston, ranked among the top 20 teams in the nation, but were downed at the hands of the Wayne Tartars, 75-52. Ed Eckert, an excellent rebounder and Bob Jarm, top scorer, are the top threats for the Crusaders.

Streaks Hit Windy City

The Streaks move on to Chicago on next Friday. Loyola will play host to the Streaks. Last year the Ramblers defeated Carroll, 93-85.

Two returning lettermen were the cowboys in that contest, as Jerry Lyne and Paul Krucker combined season for both schools.

Jack Carpenter, a 6'5" senior, leads the Ramblers with an 11 point per game average. Ed Stube, one who will draw most of Carroll's defensive attention, plays in the forward slot with a 10 point average. The Ramblers utilize the single pivot and a five man weave. They defeated Notre Dame and Bowling Green and they lost a squeaker to Purdue by one point.

Tartars Sport 16-1 Record

Carroll's season will end next Saturday when Wayne University faces the Streaks in Detroit. The most formidable of all of Carroll's opponents, the Tartars sport a 16-1 record with a single loss to second ranked Louisville.

On their visit here the Tartars defeated the Streaks, 83-71. At the present time they hold the lead in the Presidents' Athletic Conference but if Carroll can come up with a victory, the Streaks will be assured of a first place tie.

With 17 point averages, center George Brown and forward Clarence Straughan lead a fast, versatile, and accurate squad. The convillains in that contest, as Jerry Lyne and Paul Krucker combined season for both schools.

Men's "Where"

by don ullmann '50

We've found the hottest item in footwear so far — Stretch socks in wool blends and ivy colors. Can't shrink and wear like iron.

By the way—a terrific buy in shoes. Florsheim shoes in wing tip. Black or brown Scotch grain and brown cordovan. Reduced to \$13.00 while they last.

A new shipment of fabric belts just arrived. Stripes, plaids and solid colors. Terrific with khaki's and flannels. All the new colors — blacks and browns — as well as the old standbys.

Talking about flannel — we've got the dacron — wool blends in charcoal grey and brown.

Annual Band Festival Draws 10 High Schools

Over seven hundred northern Ohio high school students will invade JCU's campus Sunday, Mar. 4, as the University sponsors its fifth annual Band Festival.

Ten area high school bands, along with Carroll's band, will commence the program at 2:00 p.m. The Festival is the oldest and largest in the Mid-West.

The purpose of the Festival is to promote and maintain interest in

music in Catholic high schools in the northern Ohio district, according to Band member William Schmidt.

Tesch Says Carillon Will Chime On Time

Work on the 1956 Carillon is proceeding according to schedule, according to Editor-in-Chief Frank Tesch. Staff members are reading dummy pages for the printer and will be checking page proofs before the end of the month. This year's book will be 32 pages larger than last year's annual.

Business Manager Tim Sweeney indicated that the book will be ready for distribution during the last week of class in May. More than 1200 orders have been received, including orders for more than 700 personalized copies.

Sweeney added that the annual drive for Patrons was to begin next week, and urged students to help the business staff raise the additional funds which are necessary to pay the publication costs. Students purchase the Carillon at a price considerably below the actual cost per volume.

Kit Orle is managing editor of the 1956 Carillon; Henry Strater is senior editor; Raymond Reilly is activities editor; Gary Furin is sports editor.

Mr. Jack T. Hearn, conductor of the Carroll Band, is also the conductor of the Benedictine and St. Ignatius high school bands. He will be present along with the other conductors and a professional music critic. The yet-to-be-named critic will render individual criticism to directors.

Positive results have been shown in recent years by the increase in the size of various bands and money being spent on instruments and uniforms. The festival stimulates interest in concert bands and provides an opportunity for students to compare themselves with others.

Besides St. Ignatius and Benedictine, participating high schools include Cathedral Latin, Holy Name, St. Edward, and St. Joseph. Out-of-town schools migrating to Carroll are Ursuline High from Youngstown, Canton Central Catholic, Akron St. Mary, and Lorain St. Mary.

Each band will play two numbers independently and then the guest conductors will lead the massed bands in five selections.

Those who wish to attend the festivities will be obliged to observe from the balcony of the Auditorium, as the eleven bands will take up all the available downstairs space.

GAMBLING WITHOUT FEAR of a police raid, Chuck Wasserbauer, center, with checked vest, prepares to spin the wheel at the Evening Division Monte Carlo Dance. Such devices as these were located in the lounge where guests might watch the laws of chance prevail.

Debaters Vie At Kent; Take Honors At Case

Debators from Carroll finished second in the Buckeye Tournament Feb. 11 at Kent State University, and James Witting won a medal for individual debating the following week at Case Institute of Technology.

At the Kent State meet, two Carroll teams competed

with 28 teams from universities in Ohio and surrounding states. Carroll's first team won six of eight debates; the second team won four.

Members of the first team were Daniel Carney and Joseph Miller, affirmative; and Robert Mellert and Fred Kramer, negative. All are freshmen.

The group debating at Case included Sherman Berne and James Witting, affirmative; and Paul Raymond and David Davis, negative.

Witting's individual award was an honorable mention at the annual split team tournament last Saturday, in which three other Carroll debaters participated.

Next on the calendar of the debate team is a tournament at Akron University on Mar. 10. This will be followed by the state tournament in individual events in Columbus, which will include contests in extemporaneous speaking and oratory.

It Was Empty, Men

Will the person(s) who ravaged the Mardi Gras float, Hernando's Hideaway, be so just as to return the large size display bottle of Leisy's brew? The loaned demonstrator's exhibit was approximately 40 inches high and constituted a severe financial responsibility.

The bottle should be returned to the sociology department offices, and no questions will be asked.

Set Dates For Summer Camp

Annual Federal Inspection of the Reserve Officer Training Corps regiment will take place on Monday, May 14. Regimental practices will be conducted at 1:55 on the following Fridays: April 13, 20, May 4 and 11.

"All cadets are obliged to attend the special drills unless excused from drill for class," said Major Harold V. Richard, drill instructor.

Tentative date for the beginning of ROTC summer camp for junior class cadets at Ft. Eustis, Va., has been set for June 23. Summer camp will extend till Aug. 3 according to current plans.

Col. George W. Barry, PMS&T will serve as Deputy Camp Commander during the camping session.

Rooney Expounds On Foundation Aid

An administration spokesman outlined details this week surrounding the largest endowment grant in the history of the University, the \$317,000 obtained from the Ford Foundation last month.

According to J. Patrick Rooney, assistant to the President, the funds must be retained in an endowment fund for a minimum of ten years with the proceeds used to implement faculty salaries. After ten years the donation may be used in any way the University wishes.

First portion of the endowment is expected this spring. Final funds from the grant should be obtained within two years.

Quarterly Completed; Ignatian Year Lauded

"The spring issue of the Carroll Quarterly has gone to press," Editor Raymond Reilly announced today. "Publication date will be Friday, Mar. 16."

Reilly reported that this issue will commemorate the Ignatian Year, and that it includes several works reviewing different phases of St. Ignatius' dramatic career. It will also be the largest issue of the Quarterly ever published.

Contributors of Ignatian material include the Rev. James J. McQuade, S.J., director of the department of religion; Dr. James F. O'Donnell, associate professor of English; and Kevin Tobin, former editor of the Quarterly.

Dr. Lawrence G. Minet has submitted a provocative essay entitled "Leisure and Work." Catherine Strapp, evening division student, makes her initial Quarterly appearance with a vignette on apartment-house life. Other contributions include an O. Henry style short story by Edward Bresnan, senior editor of the Carroll News, and an Irish story by John P. Browne.

QUEEN OF THE MARDI GRAS, Phyllis Ronan, sits before a G cleft in the Band and Glee Club first place float. With the theme, "Flying Down to Rio," the musical outfit dethroned the Commerce Club which had won the trophy for two consecutive years.

NDTA Scrutinizes Campus To Make Evacuation Plans

National Defense Transportation Association members have been measuring, examining and studying the campus recently for a Civil Defense evacuation plan for the University.

A spokesman for local Civil Defense programs will outline such an evacuation of the campus at the next meeting.

Members toured the Republic

Steel Company, world's largest strip mill, early this month on a training tour. Future tours include the new Airport Terminal at Cleveland Hopkins Airport, a truck terminal, the Cleveland Union Terminal, an industrial tour of the Cuyahoga Valley, and other visits to transportation facilities.

At the recent Greater Cleveland Chapter dinner, nine members and the moderator, Maj. Melvin T. Miller, were special guests. The Carroll members provided a color guard for the dinner which was held during a visit of the national officers.

ACS Awaits Jaunts To Oil, Rubber Plants

American Chemical Society members will visit the Cleveland Standard Oil Company plant on March 14 and an Akron Rubber plant on April 10, Ted Helminiak, club president, said this week.

Other planned activities include a speech by Donald Holicky on March 8, and another from a professor of chemistry on March 23.

The speech by Holicky is one of several presented during the '55-'56 school year. An award will be given to the speaker judged best in presentation and subject matter later in the semester.
