Tobin To Address '49 Graduates

GRADUATES' MEMORIES will include picturesque Grassel Tower shown here.

Record Class To Hear Secretary

Secretary of Labor Maurice J. Tobin will address the 63rd annual graduation exercises of John Carroll University on Saturday, June 13. The largest graduating class in Carroll history, 260 graduates and undergraduates, will receive degrees at 4 p.m. in the traditional setting of the campus quadrangle.

Baccalaureate services will be held on the preceding day, Friday, June 12, at Gesu Church on Miramar Blvd. This assembly will be addressed at 4 p.m. by the Very Rev. Msgr. Henry J. Grigsby, diocesan director of education of the Steubenville diocese.

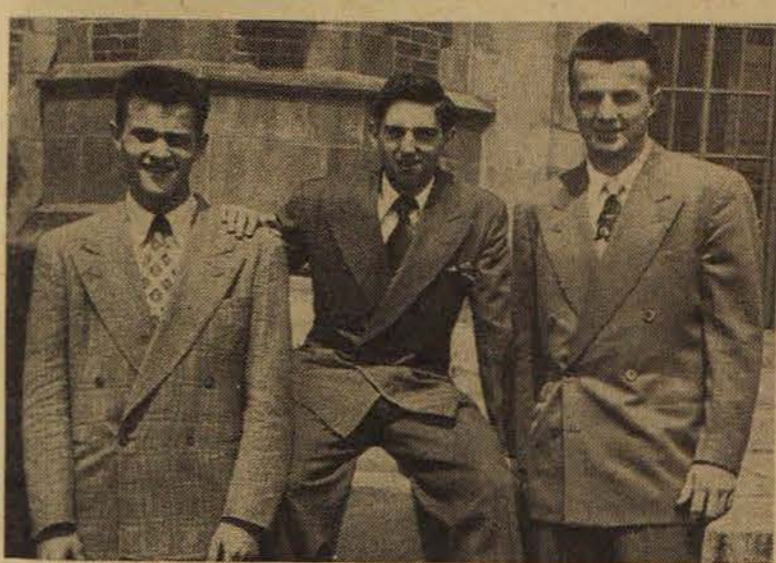

Recipients of honorary Doctor of Laws degrees will be Maurice J. Tobin; Dr. John A. Toomey, head of the division of contagious diseases of City Hospital; and John A. Victoreen, founder of the Victoreen Instrument Company.

During the last 22 years, Secretary of Labor Maurice J. Tobin has steadily climbed to his present position. He was a member of the Massachusetts House of Representatives in 1927; mayor of Boston from 1938 to 1944; governor of Massachusetts from 1945 to 1946, and Secretary of Labor since June of last year.

Dr. John A. Toomey, since graduating from John Carroll, Cleveland Law School and Western Reserve University, has won wide regard in the medical profession for his work in combating poliomyelitis. In 1948 he was president of the American Academy of Pediatrics.

John A. Victoreen is a native of Johnstown, Pennsylvania. He was first to design and introduce practical X-ray measuring instruments used in clinics and hospitals throughout the world, and is credited with furnishing radiation-measuring equipment for the Bikini atomic bomb tests.

This year's Senior Week program includes a stag picnic at the Richmond Country Club on June 7, a banquet and formal dance in the Carroll auditorium on June 9, and reception of the class into the Alumni Association on June 11.

NEWLY ELECTED SOPHOMORE officers for next year are, left to right, Ed Graves, treasurer, Tom McCafferty, president, and Jim Galvin, secretary.

Balloting Decides Officers

Juniors to Vote Next Monday

Sophomore and junior class officers were elected during the past week with Bill McKeon and Tom McCafferty taking the position of president, respectively.

Other junior officers are Bill Eline, vice-president; Carl Taseff, treasurer; and John McCaffrey, secretary. Sophomore electors put into office a straight ticket, which included Bill Sheehan, vice-president; Jim Galvin, secretary; and Ed Graves, treasurer.

McKeon took 116 popular votes to win over Jim FitzGerald, Jim Livingston, and Jim Cooney. The junior vice-president drew 106 votes to top the 78 nods that Jim Hagerly and Jim O'Neill received. Lee Cirillo and Clyde Thomas also ran.

McCaffrey had 160 votes, the largest given to any candidate, to take the office from Paul Eisenman. Taseff's 135 markers were enough to overtake the 119 of Bill Switaj and those of George Krenzler for treasurer.

McKeon took 116 popular votes to win over Jim FitzGerald, Jim Livingston, and Jim Cooney. The junior vice-president drew 106 votes to top the 78 nods that Jim Hagerly and Jim O'Neill received. Lee Cirillo and Clyde Thomas also ran.

Chuck Pfeiffer was also unseated as a secretary when Galvin outlasted him in the balloting. Graves, also an unsuccessful March candidate, took the post of treasurer from Jack Wurts with another majority vote.

LTS Awards Keys; Dines

Fifty members and guests will attend the annual Little Theatre Society banquet in the John Carroll University cafeteria tomorrow evening at 5:30, announced Reg Lyman, club president.

The LTS has extended invitations to the Very Rev. Frederick E. Welfle, S.J., university president, Mr. and Mrs. Vincent S. Klein, Mr. and Mrs. Thomas E. O'Connell, and the students of Ursuline and Notre Dame Colleges who have participated in the Society's activities during the past year.

William R. Mehler, Robert A. Skufca, Robert R. Rancour, Reginald T. Lyman, and Robert W. Kane are the five upperclassmen who will receive awards for active participation in the functions of the thespian organization, announced Mr. Klein, director.

Rules Waived; Freshmen Hold Ball on Wednesday

This year's semi-formal Freshman Ball, featuring the melodic strains of Gene Beecher and his orchestra, will be held at the Tudor Arms Hotel on Wednesday, May 25, announced Joe Pilla, president of the freshman class.

Although a university regulation prohibits social functions during test week, permission was granted by the Rev. William J. Murphy, S. J., dean of men, to conduct the affair on this date.

"Since no suitable location could be obtained for the scheduled date of May 21, and Ascension Thursday, a free day, follows the dance, it was reasonably assumed that no conflict would come about through suspension of the rules," Father Murphy commented.

Bids are \$4 and dancing will be from 9-1. Refreshments are to be served in the adjoining lounge. Parents and relatives of the class officers will act as chaperones.

A 13-man dance committee, headed by Pilla, Tom McCafferty, Tom Behm, and Shuck Pfeiffer, is in charge of plans.

Congress Passes 4 Bills During Heated Debate

Four bills on the subject of labor relations, which survived the heated debate of the 70 assembled delegates, were passed by the Carroll Congress on Public Affairs, held here last Friday in the auditorium.

Germaine Grisez and Jack Hissong gained the required majority vote for the resolution, which set up a section in the Department of Labor to study profit sharing and to assist industry and labor in installing a system of profit sharing. The bill would also have the government encourage this system of distributing profits by remitting a portion of corporate taxes of businesses which share their profits with their employees.

A similar bill entered by Loretta FitzGerald was also passed. Delegates to the Congress were from Ursuline College, St. Mary's of the Springs College, Columbus, and selected classes of John Carroll University.

The Congress was under the direction of Mr. Vincent S. Klein. John Callahan served as chairman and William Mack presided as vice-chairman.

Drive Hits Record

As a result of special collections during the past week, Friday Mass collections and sales of Vaughn Monroe's special recording of "Sons of Carroll," approximately \$4,000 has been contributed to the missions of the world by Carroll students.

Jesus missions, primarily Patna, which is hoping to purchase an airplane so that further propagation of the Faith may be realized, will be the recipients of these contributions.

Editors Seen On TV Panel

Dr. Clarence C. Little, eminent cancer research scientist, was interviewed over television station WEWS last Monday night by a panel of students from four Cleveland colleges including John Carroll. He told his questioners that present research work on cancer should lead to a control of that dread disease as effective as the control of tuberculosis.

Representing Carroll on the student panel were Jim Morrow and Bill O'Horo, Carroll News editors. Other colleges represented were Ursuline, Adelbert and Fenn.

In Cleveland as the guest of Dr. Claude S. Beck, heart specialist at Western Reserve University, Dr. Little is a past president of both the University of Michigan and the University of Maine. He is now in charge of a fund-raising campaign to rebuild Jackson Memorial Laboratory in Bar Harbor, Maine, which was destroyed by fire in 1947.

Morrow Named Editor of News For Next Year

The appointment of James K. Morrow as new editor-in-chief of the Carroll News was announced this morning by Mr. Bernard R. Campbell, faculty advisor. Morrow's appointment becomes effective in September.

Mr. Campbell also made known the appointment of a new sports editor, William Switaj, sophomore, who will likewise assume his duties next fall.

Recommended by the retiring editor-in-chief, John Humphrey,

James Morrow

and approved by Mr. Campbell, these men have served in editorial positions for the past year. Morrow, a BEG sophomore, was formerly copy editor until receiving the managing editor post last January. He has been with the paper for two years.

Taking over the sports editor's desk, Switaj will replace Edward Carson, the present editor, who graduates in June.

400 Attend Press Meet at Carroll

More than 400 students and their advisors from papers in schools of the Catholic Diocese of Cleveland attended the one-day meeting of the second annual convention of the Diocesan Press Association at John Carroll on Sunday, May 15.

The students discussed newspaper writing and heard addresses by Cleveland newspapermen and representatives of other publications.

Principal speaker was Miss Carol Jackson of New York, co-editor of Integrity, a Catholic magazine. She advised the journalists to "live the Catholic life in order that you may be better able to write about it."

JCU Hosts Visitors Sunday

Throwing her doors wide open, John Carroll University will welcome an expected overflow crowd to an Open House which will be held on Sunday, May 22, from 1 to 5:30.

Elaborate displays have been erected by the various organizations in the school. The Boosters' Club and the Carroll Union will

conduct a planned tour around the campus.

Movies To Be Shown

Visitors will first sign a guest register in the lobby, then will be conducted through the many laboratories where science students will be on hand to give demonstrations. The visitors will be shown through the library, classrooms, the dorms, and finally a movie consisting of the highlights of the 1948 football season will be shown.

The seismological observatory has prepared a special exhibit for the occasion, announced the Rev. H. F. Birkenhauer, S.J. A Wiech-

ert, a Choko, and a modern portable seismograph will be on display in the east corridor of Rodman Hall. Here, as at the other displays, students will answer questions and explain the operation of the instruments. Pamphlets will also be distributed.

War Interrupts Sequence

This will be the sixth Open House that the university has held. The first was in 1938, and the sequence was interrupted by the war.

Everyone is invited to the affair, and students are urged to attend with their parents and friends.

Students Dance

The Evening School division sponsored a Starlight dance in the JCU auditorium last Wednesday night, to the music of Sonny Sell and his Satisfiers. The first such activity of the semester, it was planned by a committee of 11 night school students headed by Paul DeGrandis. The money made from the dance will be held in reserve for the Evening School of next fall.

Monroe Airs 2nd Show From Carroll

For the second time this year, Carroll will welcome Vaughn Monroe and his CBS "Camel Caravan" for a 7:30 broadcast over WGAR from

the University auditorium. The University of Alabama is the only other college before honored with an encore by the popular bandleader.

Vaughn's show features the four Moon Men, the four Moon Maids and Ziggy Talent. CeCe Blake will be the guest vocalist.

A police escort will bring the troupe from the Palace theatre to Carroll for the radio show, and also for a closed midnight rehearsal tonight.

All 1200 reservations have been obtained by Carroll students, preference going to those who had not seen the last program. Members of the Boosters Club will act as ushers.

Publications Hold Annual Banquet

Guest speaker, the Very Rev. Frederick E. Welfle, S.J., paid tribute to the publications at John Carroll and commended the Carroll News for their constructive editorial policy during the past year, at the publications banquet in the cafeteria, May 12.

The improvement of the newly formed Quarterly and the quality of the Carillon also received laudation from the University President in his address.

Awards for meritorious service

Pick Officers

Newly elected officers of the Scientific Academy for the coming year are Joe Mullen, president; Tom McManamon, vice-president; Ted TePas, secretary; and Bob Curran, treasurer. Plans were formulated for a picnic on Sunday, June 12, after the final exams.

Intercollegiate Hop

An Intercollegiate Campus Hop will be held tomorrow evening from 9 to 1 at Adelbert Gym of Western Reserve University. Students from all colleges in Cleveland are invited. Tickets are \$1 per person and may be obtained at Carroll from Joe Lynch.

Sr. Guild Garden Party Plans Set

The annual Garden Party of the John Carroll Senior Guild will be held on the campus of John Carroll University on Wednesday, June 15. Luncheon will be served at 12:30.

Mrs. William Adams, Chairman, and Mrs. Joseph Mazanec, Co-chairman, have their plans well-formulated and are cordially inviting the friends and relatives of the students at the University to attend the party.

For reservations call Mrs. Philip Mooney, FA. 3697 or Mrs. J. G. Tischler, ME. 3571. The reservations will close Sunday, June 12.

While China Burns . . .

Momentarily the Chinese Communists are expected to enter Shanghai, and with the fall of that great city most of China will be under their domination. A few diehards expect Chiang KaiShek to carry on a guerrilla warfare from the island of Formosa, but most admit such a government-in-exile will be of little importance.

Fleeing Americans and British claim they are not running from the Communists, but from the anarchy that will reign during the interval between the Nationalist withdrawal and the Communist occupation. Lack of faith in the existing government undermines any effort to make a determined stand.

The decision must be made whether the situation in China is strictly internal in character or if that nation is being deliberately influenced by an outside nation. If China's troubles are only internal, then the United States has no right to interfere. If, however, the domestic trials of China are the results of outside interference; than in the interests of international peace and the rights of the Chinese people, the United States and other nations have the duty to recognize the situation and bring it to the attention of the United Nations. The decision must be made soon. Further procrastination will be disastrous.

Copy Desk Trivia

Warner Brothers Studio informs us that its directors are not only great directors, but first rate comedians! It seems the great Michael Curtiz was about to direct a robbery scene for "The Octopus and Miss Smith" at that studio. Lovely Jane Wyman (adjectives are the studio's) was preparing to crack a safe with tools supplied by propman Herbert Plews. Curtiz began to grumble about the tools which, he said, weren't too authentic. Plews then tried to make the situation facetious by saying: "Oh, but they're the genuine article, Mr. Curtiz. I borrowed them from a burglar friend of mine this morning." Curtiz promptly topped him. "So," he said, "we'll have to hurry. The poor fellow may need them tonight."

"Now," said the professor as he began to explain an intricate equation for the second time, "watch the board while I run through it again."

Testing the theory that one of the history profs didn't bother reading student reports, but graded them by weighing them on a scale, a rash Frosh inserted this note in the middle of his report: "If you read this far, I'll buy a beer." He got the report back the following day. It was marked, "D— I did; will 7:00 this evening be convenient for you?"

Latest in London fashions is a spring bonnet that can double as a bathing cap. Made of aluminum (or aluminum as the British call it), these metal models look like straw and come in all shades except white. They're rust proof, feather weight, and will last a life time . . . and doubtless, thanks to aluminum's workability, can be reblocked to fit the changing styles of milady's mood.

Collegiate Carnival

UNIVERSITY OF DETROIT—Construction of a new library building, to be completed by the fall of 1950, will commence next month on the University campus. The new structure, which is a million dollar project, will be an L-shaped, three-story structure of Spanish colonial design.

SEATTLE UNIVERSITY — Louis Budenz, one-time managing editor of the Communist Daily Worker, will give the principal address at the Seattle University commencement exercises on June 3. Budenz, now professor of Economics at Fordham University, attended Xavier University and St. Mary's college, Kansas, before he took up the Communist cause. He re-entered the Catholic faith in 1945.

BOSTON COLLEGE, Chestnut Hill, Mass.—Newsweek magazine has been voted the "most morally acceptable" of all secular magazines in a poll taken among students here. According to the BC students Esquire and True Story are the least acceptable of newsstand magazines. Periodicals close on the heels of Newsweek are Time and the Readers Digest. The literary poll is part of the National Federation of Catholic College Students to "clean-up" magazines.

UNIVERSITY OF DETROIT — A "faculty rating system" to determine teaching effectiveness and improve their work as teachers is to be conducted here. The rating system begun at the suggestion of the students in the accounting department will serve as an experiment and is to be limited to juniors and seniors in accounting. The objective of the survey will not be to qualify or rate the faculty as such, but rather an elucidation of student opinion as to how individual faculty members might add to their teaching effectiveness.

ST. LOUIS, St. Louis, Mo.—An increase in tuition fees for nearly all departments of St. Louis University will become effective at the beginning of the Fall term 1949, according to University officials. The tuition increase, amounting to approximately \$50, will not affect the Institute of Technology. According to the administration of the University, it has been discovered "that swollen enrollments increased rather than decreased financial problems." The only alternative was to increase the tuition.

College President Blasts Present Educational Set-Up

Does modern college education serve the needs of the modern college student? Dr. Harold Taylor, president of Sarah Lawrence College, thinks not.

In an article entitled, "Needed: A College Revolution," which appeared in Coronet magazine, Doctor Taylor calls for drastic action to revamp our "assembly line educational system" and "return to the real purpose of liberal education, which is to educate the individual liberally."

Individual Disappears — The doctor points out that in the last 40 years, the individual student has disappeared in our college education upheaval, lost in anonymity. Yet, in our world of tension and conflicts, it is crucial that our education system provide the fundamental needs of the individual.

Thousands of students crowd into our universities, moving in anonymous groups, trooping in and out of classrooms at the sound of bells. With hundreds of others, he attends lectures where the professor speaks into a microphone to standing room

crowds. He studies his texts and takes machine-graded exams in process devoid of any personal element or the cultivation of new ideas and enthusiasms.

Students Cheated — "I contend that the student is being cheated," says Taylor. "This is not college, and it is not liberal education."

Drastic action is needed if college education is to answer fundamental needs rather than function as a large quiz program.

Double Expenditures — "The problems, of course, will not be solved until we double the number of teachers, and until we bring into the teaching profession the best young graduates. To do so, we must spend double the present amount of money and begin to make college a place where an exciting life of ideas and action is lived by those who teach," says President Taylor.

Taylor contends that only if we aid the student in finding his place in society, can we look to him for the kind of leadership our country needs now and in the future.

JEST ABOUT ANYTHING HAPPENS DURING CAMPUS ELECTIONS By LEE CIRILLO

POLITICIANS were featured on the campus marquee this week, but strangely enough the body politic used few of the vote-getters usually utilized by more avid office seekers. Posters of varying dimensions and colors were strewn about the building for several days before the elections, but promises of free beer, extended vacations for faculty members, and other political tidbits were not offered by the aspirants. The Frosh started the political tumult off by voting in the entire ticket of McCafferty, Sheehan, Galvin, and Graves. Following closely behind, the Sophs completely revamped their officer material.

FOOTBALL PLAYERS BECOME POLITICIANS — The campus closely resembled the football season in the Soph election with the two Big Bills, McKeon and Eline, and King Carl Taseff rolling to victory on an all-football ticket. Jack McCafferty, newly elected junior secretary, will sound like Coach Herb Eisele at practice sessions when he takes roll call next semester. One wonders if there is any significance to this latest political phenomenon; do you suppose that cleats and shoulder pads will replace tuxes as the uniform for the Junior Prom?

One innocuous individual (no names mentioned, but he probably should stick to pushing a pencil over feature copy) didn't bother to advertise his candidacy for the junior vice-presidency, and he found out for a second time that advertising definitely does pay. When last seen he (still no names) was retreating down the front steps, waving a hairy arm, muttering "Like death, taxes, and General Mac, I shall return!"

Senior Dick Bertsch, who is savoring the last few breaths of bachelorhood, reeled out of room 249 last Monday, and promptly voted this year's Business Administration Ordeal as the "Most Comprehensive Comprehensive" yet. When last seen Dick was shredding a copy of the latest Wall Street Journal.

Apologies are probably in order for my announcing the date of the Freshman Ball as the 21st instead of the 25th. Actually, I should be the recipient because my date is going to be rather angry when I show up four days late, with her flowers looking as if they were stolen from the city park system.

"EXAM SCHEDULE SNAFU," CLAIMS NOXIOUS — Although complete plans for the final exams had already been formulated, the administration decided to change them. It seems Noxious B. Finis, a junior in the School of Advanced Pearl Pruning, was scheduled to take three exams at the same time. When questioned about his perplexing situation, Noxious said "I didn't mind having to take the three tests in two hours so much, but I just didn't appreciate the idea of having to come up to school at 6:30 Sunday morning."

The University of Michigan's baseball team made it two in a row over Ohio State last Saturday by coming from behind to score nine runs in the eighth inning to win, 10-5. Conservatively captioned a "wild eighth frame" by sports reporters, the frame saw nine Michigan runs score with only one hit being made. In that inning, 15 men appeared at the plate, seven walking, and one being hit. The nine runs were scored on the free passes, three wild pitches, and three errors. And what sceptic will dare say that the Indians are at the top of the league?

THAT MAN IS HERE AGAIN — Vaughn Monroe will be Racing the Moon in University Heights again tomorrow evening. Apocryphal rumors are circulating the campus to the effect that Vaughn is seriously considering enrolling at Carroll as a Frosh next semester. Actually this is not true; he has sufficient credits to enter as a senior.

Paul Mooney, an Arts freshman and a noted potato chip slicer, is still chortling over his latest pun. When pressed by his admirers Paul bashfully repeated the remark which goes something like this: "The prof who arrives ten minutes late is a rare one indeed; in fact he is in a class by himself!" P. J., as he is affectionately referred to in the Pajama department of Baker's, is one of the newer threats to Bob Hope's reign as the King of Clowns.

Destiny's Children

Over 260 Carroll men are to finish one phase of their lives this June and begin another. This graduation is not very much out of the ordinary. It happened last year, and it will happen again next year. But this year's senior class is truly distinguished. The class of '49 is probably the last predominantly veteran class.

College years should be pensive years, a time for forming ideals and standards that will be adhered to for the rest of life. The veterans, because of their experience in the war years, had a unique opportunity to take a flash at life, see its problems and then retreat to the quiet of the campus and resolve their doubts.

Although it was a method no one would suggest repeating, never in the past have so many graduates obtained so rounded an education as these men have had—an education through schools with totally opposite ends. For years these students were trained to accomplish the realistic and materialistic, albeit purposeful, ends of death and destruction. Then, in recent years these same individuals have been guided in the ways of life and the formulation of constructive ideals.

Doubly educated as they are, these graduates should be ready to take their places in a world that needs them. Their apprenticeship should certainly be a short one to make up for the time donated to an exacting cause. Much should be expected of this year's class of graduates. Certainly, they have much to offer!

Veterans' News

The Columbus (Ohio) District Office of the Veterans Administration which handles service life insurance accounts for Michigan-Ohio-Kentucky veterans of World War II, today reminded ex-servicemen that a physical examination is required for reinstatement of National Service Life Insurance which has been lapsed for more than three months.

VA insurance officials pointed out that there are two methods of reinstating lapsed "GI" insurance.

1. For term insurance that has been lapsed for less than three months, and if the veteran's health is as good as it was on the date his last premium was due it is only necessary to complete an application form and pay two monthly premiums. On permanent (converted) insurance, all back premiums plus interest must be paid.

2. A physical examination is required for reinstatement of all insurance that has been lapsed for more than 90 days. If a veteran's insurance has been lapsed for less than 90 days and he cannot certify to continued good health, a physical examination is also required.

Examinations can be arranged at VA outpatient clinics or through a private physician.

### Spring Sport Teams Brighten Outlook by Improved Showings

The spring sports schedule began about a month ago, and as time progressed many observers were beginning to wonder why Carroll ever bothered to field teams in track, tennis, and golf. These squads were losing with an amazing regularity. The track team, which could have hardly been called that at the onset, was getting swamped in every meet; the tennis team was finding itself on the short end of the score time after time; and the golfers found it difficult to get onto the win fairway. However, the outlook for these persistent teams is beginning to get brighter by the day.

Last Tuesday, the Blue and Gold track squad won the first contest in the history of the school against Hiram. This is quite an achievement considering that the squad has been hampered by a lack of facilities and bad weather. There is, also, a noticeable lack of depth, for some of the versatile performers have to compete in three or four events.

Some of the men who have been carrying the brunt of the load are Lamarr Wilson, Owen Donahue, and Ray Vavruska. Wilson has been consistently the high point man. Donahue and Vavruska run in both the dashes and the relays, sometimes one after the other. It is little wonder that the times are a trifle slow. The team should improve with additional competition and should be strengthened with the large group of promising freshmen eager to race for Carroll.

Athletic Director Gene Oberst intends to see that the thinclads are well-conditioned for the forthcoming season. He is planning to have the boys train three days a week during the summer and begin a daily workout next September.

Incidentally, there is a rumor that Baldwin-Wallace, Case, Reserve and Carroll may meet in a Big Four track tourney. Whether this proposed match comes off or not, it seems like a good idea to stimulate student interest in a sport which is noteworthy for its lack of interest. The Streaks wouldn't fare too badly in a meet of this sort, for, with the exception of B-W, they are all approximately in the same class.

The tennis team, which also finds it difficult to draw any students, has improved considerably in the past two weeks. They, too, have been hampered by a lack of training facilities and unseasonably bad weather. After losing the first three matches, the netters finally found the winning combination and have taken the last four matches.

Captain John Humphrey and Dick Ennen have been consistent winners. Their slashing forehands and well-placed backhand shots have confused many of their opponents and have been a general morale builder to the squad.

The golf team, captained by Joe Popovich, has dropped nine of its ten matches. The record, however, doesn't speak for itself. Some of the teams they have played boast the best amateur golfers in intercollegiate circles. However, the team should add more wins to the record when the proven golfers find themselves. Bob Revello is the only one shooting near his regular game.

One of the bleak spots in a rather bright outlook on spring sports at Carroll is the fact that the University does not field a baseball team. A school of this size and importance should have the eagerness to compete with schools of equal importance on the diamond. There is a wealth of material at Carroll. Last year alone, there were nine students who withdrew to play for different teams in the minor league. If there are that many potential big leaguers around, surely there ought to be enough individuals who can play well enough to form a winning college squad.

## Blue and Gold Netters Edge Toledo; Run Victories to Four

John Carroll's netters edged Toledo University 4-3 last Tuesday afternoon at Forest Hills to avenge an earlier season defeat by the Rockets. The victory was the fourth in a row for the rejuvenated Streaks who now have a record of four wins and three defeats.

Toledo took the first singles match, Jim Robertson taking two sets from Jack Friedel 6-4 and 6-0. Bill Scharfman of Toledo found Pat Deighan's offerings too hot to handle, dropping the match 6-1, 3-6, 6-2 to tie the score. The lead changed hands again in the next two matches, Humphrey losing to Riedmayer 6-0, 6-3, and Dick Ennen gaining the victory over Don Scheffler of Toledo 6-4, 6-3.

## Pajongies Triumph Over Scholars for I-M Championship

The 1949 Intra-Mural Softball league closed yesterday with a ball game which was an exhibition of the fine class of ball that has been played throughout the short season. The playoff for the league championship and the championship of the day school was climactic as the Pajongies edged out the Scholars, 7-6, in an extra-inning rally.

Sig Holowenko, grid giant, knocked in Eddie Doyle from third base to cinch the game for the Pajongies. The Pajongies were in the lead all the way until the last of the fifth inning when Chuck Pfeiffer slapped one of pitcher Bob Kilfoyle's swift pitches out into the lost acres of deep center field. The Scholars' pitcher, Frank Geever, swifty deluxe, became the losing pitcher when Doyle singled, stole second and third, and scored on Holowenko's drive into left field.

The school champions have on their roster the names of the more outstanding of the Carroll athletes. The champions are headed by their fiery catcher, Len Soeder. Soeder has led his teammates Ed and Tom Doyle, Bob Tedesky, Ed Sullivan, Bill Schirmer, Don Kenny, Roman Conti, Bob Kilfoyle, Sig Holowenko, Tom Nolan and Jack Minor, to the championship crown which was held by the Sodality team of last year.

## Netters Face 2

With a record of four wins and three losses, the John Carroll tennis team now has an average of .571. On the schedule for the next two weeks are two games, one here, and one away.

Saturday, May 21, the team will play Niagara University at Niagara.

Lawrence Tech, who defeated the Carroll players at their first meeting, will meet the team again on May 24, at Carroll.

## Keg Title Goes To Marauders

By capturing three points from the fifth-place Knights, the Marauders clinched the championship of the Wednesday division of the John Carroll I-M Bowling league. The winner of the First Annual Headpin Tournament was Jim Kelley who rolled games of 103, 106, 193 for a 312 total.

The title of the Wednesday division was not decided until the final game of the year. The Marauders won their first game but the Knights captured the second in an extra frame of bowling. The teams had been tied after the regulation game. However, they rallied to sweep the final game by over a hundred pins to wrap-up the division crown. The runner-up Schmoos exerted all possible pressure upon the Marauders as they thumped the Brews in all three of their games.

In the Headpin Tournament five men shared prizes which were offered by both the league and Cedar-Center Recreation. Other winners in addition to Kelley were Jim Jacoby and Bob Knotek, tied for second-place with 287; Phil Bova with 273; and Ed Lostoski with 272. Kelley was the only man from the Tuesday division to win a prize.

After Wally Walsh put Carroll ahead with his win over Evans of Toledo 6-3, 4-6, 6-2. Humphrey and Ennen teamed to clinch Carroll's fourth straight victory by defeating Riedmayer and Schaeffer in the lone doubles match of the day in three close sets of 3-6, 6-3, and 6-2.

On May 14 the Streaks encountered stiff competition in edging Hiram 4-3. Jack Friedel continued his sparkling court play as he defeated Bowers in three sets of 4-6, 6-3, and 6-3, putting Hiram on the defensive. Captain Humphrey dropped his match to Calvin 6-1, 6-1, but Joyce regained the lead in two sets of 6-0, and 6-1.

After Dick Ennen won his match from Dean in three sets of 2-6, 6-2, and 6-4, Hiram won the last match in the singles competition when Bind defeated Wally Walsh in sets of 6-3, 4-6, and 6-3. In the doubles competition, Humphrey and Ennen dropped their match 6-1 and 6-1, but Jack Friedel and Jim Joyce brought the victory home for Carroll by defeating Folsom and Dean in two fast sets of 6-2 and 6-3.

The Streaks continued their winning way on May 11, by edging Case Tech 5-4 at Forest Hills, marking the first time Carroll has defeated Case since 1939.

In the singles matches, Carroll split in six hard-fought battles. Friedel dropped his match to Stricker 0-6, and 3-6; but John Humphrey came from behind to win out over Jack Tanis of Case in three sets, 3-6, 6-1, and 6-3.

Pat Deighan sent Carroll ahead by defeating Griffith in 6-4 and 6-0 sets. Dorer of Case knotted the count at two-all, however, as he

## Linksters Defeat B-W For Lone Win of Year

Following three home losses, the J. C. U. linksters took to the fairways seven times in the last two weeks, but found the going still tough, winning 1 and losing 6.

Finding the course to his liking and playing well, Dick Kleshinski led the Streaks to their first victory of the season over B-W, 9 1/2-6 1/2 at the Homelinks course on May 9. Kleshinski shot a 37-39-76 and won despite the fact that his putter

the J. C. U. linksters with a 78. Playing behind the stellar play of Dick Ray with a 76 the Case Tech linksters defeated John Carroll 9 1/2-6 1/2 on the tough Aurora course on Saturday May 14. The narrow, hilly Aurora layout is well known in Cleveland golf circles for its many trees and traps. Stewart shot a 79 for Case to take second place in medalist honors.

## Hiram Terriers Bow To JCU Cindermen

BY DICK SWEENEY

Registering for the first time in the blue book of winners, the John Carroll cindermen defeated the Hiram track squad 76-51 on Tuesday, May 17, at the Terriers field. The Blue and Gold team, coached by Dick Tupta, controlled the scoring throughout with 12 first place winners.

The Hiram meet found Carroll on the rebound after a triangular meet with the University of Detroit and Kalamazoo College. Speedy Owen Donahue, Streak junior from Akron, sparked Carroll with wins in the century and 220. Donahue ran the 100 in 10.4 and the 220 in 24 seconds. He also ran on the winning 880 relay squad.

Lamar Wilson took point-garnering honors for the Carroll team with 15 markers. Wilson was the victor in the low hurdles with a time of 27.1, and he tied for first in the high jump with Ed Sauer of Hiram. Wilson rounded out his point getting by taking seconds in the broad jump and high hurdles.

Ernie Ament took double honors in the field events. Ament bested all competitors with a 41 ft., 8 in. throw of the shot, and his discus toss of 115 feet was unsurpassed. Ament gained his victory in the shot on the last of his seven throws.

Stredelman Ties in Vault  
Bill Stredelman garnered first place points in the polevault as he jumped 10 ft. six in. into a three-way tie with Bedford and Wolfe of Hiram.

Ray Vavruska, ace quarter-miler, came from behind to win the 440 in 54.9 seconds. Vavruska was boxed in by three of the Terriers until the final 50 yards when he pulled away to win the event.

The relay events showed the Carroll team to be in fine training as Bob McCabe, Don Shula, Jack Carrabine, and Donahue ran the 880 in 1:34.1 minutes. The mile relay headed the Hiram entry with a 3:41 time. Carroll spikers on the mile relay were Bob Gstalder, Hank Pekarek, McCabe and Vavruska.

In the distance events, Gstalder took honors with a victory in the mile at a time of 5:2. He also shared honors with Streak Pekarek in the 880. Pekarek and Gstalder broke the tape in a fast 2:15.

Ernie Ament, Carroll's star weightman, will have to be satisfied with competing only in the shot put tomorrow for the Eagles have not included the discus on the meet card. Ernie tossed the 16-lb. ball a distance of 47 ft. 7 1/2 ins. last week and should be a tough man to beat.

Freshmen Go Along  
Carroll's vaulters will sit this meeting out, for along with the discus throw, the Eagles also excluded the pole-vault and the mile relay from the schedule.

# Glee Club Celebration Concludes '49 Season

"That praise deserved by the John Carroll Glee Club for its outstanding service to the University should not be kept a secret" was the theme of an address by the Very Rev. Frederick E. Welfle, S. J., President of Carroll, to the Glee Club at its annual banquet last Tuesday evening in the cafeteria.

Included among the guests at the speakers' table who added their "high praise" for the successful season, concluded with a concert at Euclid Central High School this morning, were the Rev. William J. Murphy, S.J., Miss Marie Kaleda, Dr. Louis L. Balogh, director of the Glee Club, Herbert Smith, president, and Raymond Patton, accompanist.

Dr. Louis L. Balogh, director of the Club, voiced his enthusiasm for the faithful attendance of the members at rehearsals and stress-

## Carillon Due Off Press by June 1

With the 1949 edition of the Carillon on the press and due for distribution by June 1, Mr. Bernard R. Campbell, publications moderator, announced yesterday that retiring Editor Bill Roscelli's recommendations for 1950 Carillon staff positions have been approved.

Next year's editor of the annual will be James Hagerty, and he will be assisted by John Huddleston, managing editor. Richard Voss, business manager, and Donald Hauck, associate business manager, will head the business staff.

Other editorial staff appointments include: William Switaj, sports editor; William O'Horo, society editor; Paul Mooney, art editor; John Tullio, copy editor; Donald Unger, photography editor; John McCaffrey, make-up editor; Donald Duffy, exchange editor; and Albert Carroll, club editor.

## Summer Registration

For students who are intellectual warm weather pitchers, the John Carroll Summer Session will provide ample workout, with two sessions scheduled beginning June 16 and July 25. Registration will be held June 16 and 17. It will be possible to sign up for two 3-hour courses each term, with a limit of one science course per term.

ed the importance of the social and moral principles which are present in an organization such as the Glee Club.

Father Welfle, prior to presenting keys to members who have completed six semesters of regular attendance and participation in Club activities, predicted an even greater Glee Club with many more concerts each season in the years to come. The "Fourflushers" quartet provided entertainment for the gathering and dedicated "Wedding Bells Are Breaking Up That Old Gang of Mine" to the Club.

Those awarded keys were: Jack Matthews, Dick Sullivan, Chuck Conry, Herbert Smith, Jim Pojman, Bob Skufca, Vince Shupp, Bob Lyons, Lou Beliczky, Frank Dugan, John Synk, Bob Rukosky, Tom Wilson and Ray Patton.

## Reardon Gets Top Chem Group Post

Robert Reardon won the position of '49-'50 president of the American Chemical Society's student affiliate chapter at Carroll in an election held Wednesday, May 11. The other officers include Charles Ponyik, vice-president; Tom Robinson, secretary; William Becka, corresponding secretary; and Joseph Stasko, treasurer.

Institution of a visual education program was one of the group's major activities this year. Films have been shown on Friday afternoons at 4 o'clock in Room 166. Plans are being drawn up to continue and expand this practice for the next school year.

## Sodalists Elect Brett

Results from the election of officers in the Carroll Sodality this week gave Jack Brett the position of president. Elected as his assistants were Larry Badar, vice-president, Paul Sindelar, secretary, and Dick Sweeney, treasurer.

Jim Daugherty reigns as the new president of the junior Sodality, with Bill Eline, Phil Finn, and Sal Jeffries assisting him as vice-president, treasurer, and secretary.

# Golfers Take B-W Match

(Continued from Page 3)

Friday the 13th and J. C. U. was again on the wrong side of the ledger, dropping the match 8½-3½ at Highland Golf Course. Hooper Jones led the B-G attack with a good 75 followed by Moe Seiple with a 77.

Playing Niagara U. at Highland the Streaks hit the skids and lost by the score of 10½-7½. Emie Piccaro swept the course with a neat 77 to lead Niagara to victory. Cygnor, who lost his team partner Stanton on the first nine because of sudden illness, went on to shoot a 79 and second place for the Niagara team.

Wayne Whitewashes J. C. U.

The J. C. U. linksters took the road on Thursday May 5 and found the road tough. Playing at Redford Country Club in Detroit the Streaks were shut out by a superior Wayne aggregation 15-0. Joe Peak led the Wayne team with a blazing 37-35-72 followed closely by Earl Marsevitch and Gordon Verville with 73's. Marsevitch hit a two under par on the first nine and came very close to a hole-in-one on the short No. 8, missing by only a few inches. Bob Revello was low medalist for J. C. U. with a 39-42-81. Joe Popovitch and Dick Kleshinski tied at second with 83 apiece.

Toledo made a double kill the following day at Highland Meadows by downing Carroll 11½-½. Both teams found the going rough and high scores, except for Don Kennedy of Toledo, ruled the day. Kennedy, playing well, shot a 41-33-74 to lead Toledo to victory. Tied for second place at 81 were Doc Pawlicki and Ray Lippman. Following a bad first nine total of 45, Bob Revello came back to shoot a 38 the second nine and lead the Streaks with an 83.

## Union Dines at Tuesday 'Meeting'

Climaxing a year of meetings and organization problems, the Carroll Union will hold their annual banquet Tuesday, May 24, at 6:30 in the cafeteria.

The Very Rev. Frederick E. Welfle, S.J., will be guest speaker at the dinner. Also at the speakers' table will be the Revs. Edward C. McCue, S.J., Hugh B. Rodman, S.J., William J. Murphy, S.J., John T. Weber, S.J., and Mr. Fritz W. Graff.

Union elections for the summer term are to be held on Wednesday, May 25, after the new class officers are voted upon.

## French Club Gives Recorders To Dept.

Officers for next year's French Club were elected May 6. Bob Unger, president, and Tom Roehm, secretary, were elected. Unger, assisted by Paul Mooney, vice-president, Dominic DiFino, secretary, and Tom Roehm, treasurer.

Baseball, hot dogs, and all the other accessories which go to make a successful outing were there last Wednesday, as the French Club traveled to the South Chagrin Reservation for its annual picnic. Arrangements for the affair were handled by Greg Higgins.

Les Dialogues has purchased for the Modern Language Department two portable recording machines. They will be available to the student who would like to use them as a means of improving their diction and pronunciation in their chosen language. This purchase carries a tradition of the French Club to donate something to the department every year.

## Story Winner Revealed

John Huddleston received \$25 for his prize short story in the Quarterly contest.

PI DELTA EPSILON, Carroll's honorary journalism fraternity, initiated five new members in the president's parlor following the publications banquet last Thursday, May 12. The Rev. James M. Teply was given an honorary faculty membership. The other new members are, from left to right, Bob Knotek, John Callahan, Bill Monroe and Bill Roscelli.

Quarterly gold keys were given to John Callahan and Patrick Lynch; silver keys went to Bill Braucher, Aspell, Terence Martin and Emil Jeantola; bronze keys were awarded to John McKenzie, William Roscelli, Victor Stuart, and Germaine Grisez.

Carillon awards went to Roscelli and Richard Voss, gold keys; John Tullio, Jim Hagerty, Huddleston, Edward Schecter, silver keys; Donald Unger, Reg Lyman, Jim Miller, Jim Slattery, Sobul, and Hawkins, bronze keys.

Special Carillon awards were given to Hagerty, Don Hauck, Don Duffy, Tullio, Len Vavruska, Paul Mooney, Prochaska, Jerry Corrigan, Huddleston, John McCaffrey, Schecter, Sobul, Switaj, Unger, Roscelli, and Voss.

## Streaks Win Meet

(Continued from Page 3)

Detroit. The time of the race was a poor 20.5 because of the strong headwind.

Streaks Fail to Show in 220 or 440. Carroll failed to gain any points in the 220 and 440, but Bob Gstalder was able to cop third place in the 880 and mile runs. The Streaks were also scoreless in the two-mile run. Finishing third in both relay events, the Carroll team found rough going until Lamar Wilson copped second place behind Mel Reed of Kalamazoo in the 120 high hurdles and the 220 low hurdles.

In the field events, Carroll placed in the shot, discus, and high jump. Ernie Ament, Streak soph, finished behind Don Nuffer, who won with a 41 ft., 2 in. throw in the shot put event. Ament also took second with his discus throw of 114 feet. Lamarr Wilson tied with two Detroit men for the second place points in the high jump.

## Netters Trip Toledo; Win 4

(Continued from Page 3)

bested Johnny Kappos 6-1, 1-6, and 4-6. Joyce was forced to come from behind to triumph over Barnes of Case in three sets of 2-6, 6-4 and 6-4.

Carroll again tied the score behind two clever sets by Dick Ennen as he defeated Kermode 6-1, 6-1. But the doubles matches provided the margin of victory for Carroll. John Humphrey and Pat Deighan teamed to defeat Stricker and Tanis in the first match in two sets of 6-3. After Friedel and Kappos dropped their doubles match 6-1, 1-6, and 4-6, Dick Ennen and Jim Joyce clinched the victory for Carroll by defeating Barnes and Kermode in sets of 7-9, 6-3, 8-6.

## Fenn First Victim

Fenn was the first victim of the netters in their string, bowing 6-1 at the Forest Hills courts on Monday, May 9, as Carroll made a complete sweep of the singles matches. Jack Freidel set the course as he trimmed Russell of Fenn in 8-6 and 6-0 sets.

In two identical 6-2, 6-4 sets, Pat Deighan and John Humphrey bested Tiber and Pokrant of the Foxes to increase Carroll's lead to 3-0. By this time the winning habit had become contagious and Dick Ennen and Jim Joyce continued the rout with twin victories over their opponents.

Ennen outfoxed Rooke in three sets 6-2, 2-6, and 6-0, and Joyce finished Tierrato in two fast sets 6-0 and 6-1. Fenn rallied in the doubles competition to gain a split.

## 'Errors' Top Dorm Squad

The dorm baseball league is now coming down the home stretch and the race will not be decided until the final games have been played next week.

Enjoying the finest weather seen in many seasons, the dorm league will probably end up on schedule and the champs will be crowned before the final exams begin. The only trouble encountered so far has been the protesting of three games by the Sack Artists. All details of the protests are not clear but dorm council president, Neil Sullivan will render decisions on the matter next week.

The Comedy of Errors team is now holding down first place but has played the least number of games and must win the rest of its games to gain the undisputed championship. Any one of the first place teams could be crowned champs but a tie of some sort is most likely.
